

# 60-DAY NOTICE OF VIOLATION

SENT IN COMPLIANCE WITH CALIFORNIA HEALTH & SAFETY CODE § 25249.7(d)

---

DATE: December 28, 2016

TO: Paul Ah Cook, President – Paradise Beverages, Inc.  
Daniel Dinell, President – Hawaii Coffee Company  
California Attorney General’s Office;  
District Attorney’s Office for 58 Counties; and  
City Attorneys for San Francisco, San Diego, San Jose, Sacramento and Los Angeles

FROM: Whitney R. Leeman, Ph.D.

---

## I. INTRODUCTION

---

My name is Whitney R. Leeman. I hold a Doctor of Philosophy degree in Environmental Engineering. I am a citizen of the State of California acting in the interest of the general public. I seek to promote awareness of exposures to toxic chemicals in products sold in California and, if possible, to improve human health by reducing hazardous substances contained in such items. This Notice is provided to the public agencies listed above pursuant to California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”). As noted above, notice is also being provided to the alleged violators, Hawaii Coffee Company and Paradise Beverages, Inc. (the “Violators”). The violations covered by this Notice consist of the product exposure, route of exposure, and types of harm potentially resulting from exposure to the toxic chemical (“listed chemical”) identified below, as follows:

Product Exposure: See Section VII. Exhibit A  
Listed Chemical: Lead  
Route of Exposure: Ingestion  
Types of Harm: Birth Defects and Other Reproductive Harm

---

## II. NATURE OF ALLEGED VIOLATION (PRODUCT EXPOSURE)

---

The specific type of product that is causing consumer exposures in violation of Proposition 65, and that is covered by this Notice, is listed under “Product Category/Type” in Exhibit A in Section VII below. All products within the category covered by this Notice shall be referred to hereinafter as the “products.” Exposures to the listed chemical from the use of the products have been occurring without the clear and reasonable warning required by Proposition 65, dating as far back as December 28, 2013. Without proper warnings regarding the toxic effects of exposures to the listed chemical resulting from contact with the products, California citizens lack the information necessary to make informed decisions on whether and how to eliminate (or reduce) the risk of exposure to the listed chemical from the reasonably foreseeable use of the products.

California citizens, through the act of buying, acquiring and consuming the products, are exposed to the listed chemical. By way of example, consumers and other individuals, including women of childbearing age, ingest the listed chemical when they drink or otherwise ingest the products. This act causes consumers to be exposed to the listed chemical through routine consumption of the products containing the listed chemical. The California State Plan for Occupational Safety and Health incorporates the provisions of Proposition 65, as approved by Federal OSHA on June 6, 1997. This approval specifically placed certain conditions with regard to occupational exposures on Proposition 65, including that it does not apply to the conduct of manufacturers occurring outside the State of California. The approval also provides that an employer may use the means of compliance in the general hazard communication requirements to comply with Proposition 65. It also requires that supplemental enforcement is subject to the supervision of the California Occupational Safety and Health Administration. Accordingly, any settlement, civil complaint, or substantive court orders in this matter must be submitted to the Attorney General.

### V. RESOLUTION OF NOTICED CLAIMS

---

Based on the allegations set forth in this Notice, I intend to file a citizen enforcement lawsuit against the alleged Violators unless such Violators enter into a binding written agreement to: (1) recall products already sold or undertake best efforts to ensure that the requisite health hazard warnings are provided to those who have received such products; (2) provide clear and reasonable warnings for products sold in the future or reformulate such products to eliminate the lead exposures; and (3) pay an appropriate civil penalty based on the factors enumerated in California Health & Safety Code § 25249.7(b). If the alleged Violators are interested in resolving this dispute without resorting to time-consuming and expensive

litigation, please feel free to contact my counsel identified in Section III above. It should be noted that neither my counsel nor I can: (1) finalize any settlement until after the 60-day notice period has expired; nor (2) speak for the Attorney General or any district or city attorney who received this Notice. Therefore, while reaching an agreement with me will resolve my claims, such agreement may not satisfy the public prosecutors.

## VI. ADDITIONAL NOTICE INFORMATION

Based on publicly available information, the retailers, distributors and/or manufacturers of the example within the category or type of product are also provided below. I believe and allege that the sale of the offending products also has occurred without the requisite Proposition 65 “clear and reasonable warning” at one or more locations and/or via other means including, but not limited to, transactions made over-the-counter, business-to-business, through the internet and/or via a catalog by the Violators and other retailers and distributors of the manufacturer.

It is important to note that this example is not meant to be an exhaustive or comprehensive identification of each specific offending product of the type listed under “Product Category/Type” in Exhibit A. Further, it is this citizen’s position that the alleged Violators are obligated to continue to conduct in good faith an investigation into other specific products within the type or category described above that may have been manufactured, distributed, sold, shipped, stored (or otherwise within the notice recipients’ custody or control) during the relevant period so as to ensure that the requisite toxic warnings were and are provided to California citizens prior to purchase.
