SETTLEMENT AGREEMENT

On September 24, 1993 in San Francisco, California, As You Sow ("AYS") and American International Industries Group ("AII Group"), which includes all the corporations, partnerships, and entities listed in Exhibit A attached herewith, agreed to the following terms and conditions:

WHEREAS:

AYS is a not-for-profit public interest corporation dedicated to promoting consumer awareness, protecting the environment and improving human health; and

AII Group is a California-based company that currently distributes nail enamel products containing toluene which are sold in retail stores and used by manicurists in hair, beauty and/or nail salons; and

On January 1, 1991, toluene was officially listed by the State of California as a chemical known to cause birth defects or other reproductive harm, pursuant to Health & Safety Code § 25249.8; and

On February 3, 1993, AYS served AII Group with a document entitled "60-Day Notice" which alleged that as of January 1, 1992, AII Group had, in violation of Health & Safety Code § 25249.6, failed to warn purchasers and individuals that certain of AII Group's products sold in California expose users to toluene, a chemical known by the State of California to cause birth defects or other reproductive harm; and

There is now pending in the Superior Court for the State of California, County of San Francisco, a lawsuit brought in the public interest by AYS against American International Industries and others, Consolidated Case No. 950766 (the "Action"); and

A list of the nail enamels containing toluene which AII Group has bottled (or had bottled on its behalf) and/or distributed for sale in California since January 1, 1992 is provided in Exhibits B and C attached herewith (collectively referred to as the "Products"); and

AYS and AII Group wish to resolve all claims, disputes and differences between them that arise out of the Action, or out of toluene-containing nail enamel and nail care products.

NOW, THEREFORE, THE PARTIES AGREE AS FOLLOWS:

1. On or before October 1, 1993, AII Group agrees not to ship (or cause to be shipped) any of the Products listed in Exhibit B into the State of California unless such products have been reformulated so as to eliminate the presence of toluene as an intended ingredient.

2. On or before December 15, 1993, AII Group agrees not to ship (or cause to be shipped) any of the Products listed in Exhibit C into the State of California unless such products have been reformulated so as to eliminate the presence of toluene as an intended ingredient.

3. If AII Group fails to comply with the reformulation commitment set forth in paragraphs 1 & 2 above, AII Group agrees to the following: (a) to pay a liquidated penalty in the sum of \$10,000 within ten (10) days of December 15, 1993; and (b) to comply with Health & Safety Code § 25249.6 and 22 CCR § 12601 for each product listed in Exhibits B & C that is shipped for sale in California after December 15, 1993, by providing a warning that is prominent and displayed with such conspicuousness, as compared with other words, statements or designs, as to render it likely to be read and understood by an ordinary individual. The warning should be calculated to warn individuals at the point of purchase as well as individuals who may use the Products at beauty, hair or nail salons. The warning should bear the statement:

"WARNING: Use of this product will
expose you to toluene, a
chemical known to cause
birth defects or other
reproductive harm."

If the warning is going to be placed in hair, beauty or nail salons, the warning shall be provided in a language(s) spoken by a significant portion of the employees or others likely to be exposed, so as to render the message clear.

4. In an effort to defray AYS' costs of investigating, litigating and negotiating this matter, AII Group agrees to reimburse AYS the reasonable sum of \$11,750.

5. AYS, by this Agreement, waives all rights to institute action against, and covenants not to sue, AII Group and each and every member thereof, its distributors or retailers which sell the Products, its officers, directors, agents, attorneys, partners, shareholders, representatives, heirs, successors or assigns, whether under or based upon any alleged violation of the Health & Safety Code §§ 25249.5 et seq. or Business & Professions Code §§ 17200 et seq. or other statute except as expressly provided for herein, or any other statute or common law claim based on AII Group's alleged failure to warn consumers about exposure to toluene from, or the manufacture, distribution or sale of, any of the Products identified in Exhibit B.

6. By this Agreement AII Group releases all claims and waives all rights to institute any form of legal action (including but not limited to any claim for damages, fines, sanctions, fees [including fees of attorneys, experts and others] or costs) in the Litigation against AYS and any of AYS' officers, directors, agents, attorneys, representatives, heirs, successors and assigns (collectively the "AYS Releasees"), based on any statute, provision of common law or any theory or issue whatsoever and for any and all actions or statements (and failures to act or state something) made by any of the AYS Releasees in the course of seeking enforcement of Proposition 65's warning requirement for nail polish and related products containing toluene or arising out of the parties' relations in this Litigation or the subject matter of this Settlement. AII Group further covenants not to sue any of the AYS Releasees based on any claim so released.

7. The parties recognize that products covered by this Agreement are or may be regulated under federal statutes. Nothing in this Agreement shall be construed to mean that Proposition 65 or any of its implementing regulations require the specific warning message or methods set forth in this Agreement.

8. In the event that any of the provisions of this Agreement is held by a court to be unenforceable, the validity of the enforceable provisions shall not be adversely affected.

9. In the event that a dispute arises with respect to the provisions(s) of this Agreement, the prevailing party shall be entitled to recover costs and reasonable attorneys' fees.

10. The terms of this Agreement shall be governed by the laws of the State of California.

11. In the event that (a) it is finally adjudicated by a California court, or (b) AYS resolves its dispute with another defendant in a manner which provides that certain nail enamel or nail care products containing a certain percentage of toluene may be sold in California without a Proposition 65 warning, the duty to warn, as provided in paragraph 2 above, shall be modified so as to allow AII to distribute and sell those types of nail enamel or nail care products containing that percentage of toluene (or less than that percentage) for sale in California. Additionally, if any provision of Health & Safety Code §§ 25249.5 et seq. is repealed, or declared void, the obligations imposed on AII Group in paragraphs 1 and 2 above will be reduced to the same extent as such repeal or declaration. Without prejudice to the generality of the above, the obligations imposed on AII Group by Paragraphs 1, 2, and 3, above, will become null and void in the event that toluene is removed from the list caused to be published by the Governor pursuant to Health & Safety Code § 25249.8.

12. All correspondence, including a letter indicating whether the reformulation commitment referred to in paragraphs 1 and 2 have been made, should be mailed to AYS as follows:

As You Sow
106 Clifford Terrace
San Francisco, CA 94117

13. The parties shall execute and file a stipulated judgment (to be approved pursuant to CCP § 664.6) with the San Francisco Superior Court in accordance with the terms set forth in the Agreement.

14. Nothing in this Agreement shall be construed as an admission by AII Group of any fact, finding, issue of law or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by AII Group of any fact, finding, conclusion, issue of law or violation of law. However, this paragraph shall not diminish or otherwise affect the obligation, responsibilities and duties of AII Group under this Agreement.

15. This Settlement Agreement may be executed in any number of counterparts, all of which taken together shall constitute one and the same instrument, and any of the parties hereto may execute this Settlement Agreement by signing any such counterpart.

16. The undersigned are authorized to execute this Agreement on behalf of their respective parties and have read, understood and agreed to all of the terms and conditions of this Agreement.
