

RELEASE AND SETTLEMENT AGREEMENT

This Release and Settlement Agreement ("Release") is entered into between Michael DiPirro, a California citizen acting on behalf of the People of the State of California, and Du-Bro Products, Inc. an Illinois corporation (hereinafter "Du-Bro"), as of March 1, 2000 (the "Effective Date").

WHEREAS:

A. Michael DiPirro ("DiPirro") is an individual residing in San Francisco who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer and industrial products;

B. Du-Bro manufactured or distributed in the State of California certain products that contain or whose customary use and application is likely to produce fumes or gases which contain, chemicals listed pursuant to Proposition 65 (California Health & Safety Code §§25249.5 *et seq.*).

C. The products that contain, or whose customary use and application is likely to produce fumes or gases which contain, one or more of the chemicals listed pursuant to Proposition 65 and which are covered by this Agreement are set forth in Exhibit A (the "Products"), which is attached hereto and incorporated herein by this reference.

D. By notice dated September 27, 1999, DiPirro first served Du-Bro and all of the requisite public enforcement agencies a document entitled "60-Day Notice" which provided Du-Bro and such public agencies with notice that Du-Bro was allegedly in violation of Health & Safety Code § 25249.6 for failing to warn purchasers that the Products exposed users to certain Proposition 65-listed chemicals;

E. Du-Bro represents that immediately after receiving the 60 Day Notice from DiPirro, Du-Bro voluntarily and without admission of liability, stopped distributing the Products into California and notified its distributors to not sell the Products in California until the warning issues had been resolved. Since that time, Du-Bro has refrained from distributing or selling any of the Products in California.

F. On December 13, 1999, DiPirro filed a complaint entitled Michael DiPirro v. Du-Bro Products, Inc. (No. H 210772-1) in the Alameda County Superior Court, naming Du-Bro as

a defendant and alleging violations of Business & Professions Code §17200 *et seq.* and Health & Safety Code §25249 *et seq.* on behalf of individuals in California who may have been exposed to certain chemicals listed pursuant to Proposition 65 contained in certain Du-Bro products, or whose customary use and application is likely to have produced fumes or gases which contain such chemicals. On January 18, 2000, Du-Bro filed its answer to the complaint.

G. Du-Bro denies the material factual and legal allegations contained in the 60-Day Notice and the Complaint filed by DiPirro for alleged violations of Proposition 65 and Business & Professions Code §§17200 *et seq.*, and maintains that all Products manufactured and/or distributed by Du-Bro in California are in compliance with all laws. Nothing in this Release shall constitute or be construed as an admission by Du-Bro of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Agreement constitute or be construed as an admission by Du-Bro of any fact, finding, conclusion, issue of law or violation of law.

NOW THEREFORE, in consideration of the promises, covenants and agreements herein contained and for other consideration, the sufficiency and adequacy of which is hereby confirmed by the parties who intend to be legally bound hereby, it is agreed as follows:

1. **Future Sales of Solder Products.** Du-Bro agrees that any solder products that it distributes or sells into California in the future will either be lead free or will contain the labeling set forth in Paragraph 2.

2. **Product Labeling.** If Du-Bro distributes or sells into California any lead containing solder products in the future, Du-Bro shall revise the product or packaging labels for the Covered Products consistent with this Release (“Revised Labels”). For purposes of this Release, “Covered Products” includes all products listed on Exhibit A hereto, and any other substantially similar products which may be manufactured and/or distributed by Du-Bro in California after the Effective Date which now or in the future contain, or whose customary use and application is likely to produce fumes or gases that contain, Listed Chemicals. For purposes of this Release, “Listed Chemicals” means chemicals that are currently or may, in the future, be listed pursuant to Proposition 65. Du-Bro shall use reasonable efforts to ensure that all Covered Products in its possession intended for distribution or sale in California are packaged or sold using Revised Labels as soon as commercially reasonable; however, Du-Bro agrees that as of May 1, 2000 (the “Revised Label Compliance Date”) Du-Bro shall not knowingly ship (or cause to be shipped) to California for sale or distribution any Covered Products unless each such Covered Product is accompanied by a Revised Label on or within the Covered Product package or affixed to Covered Products as follows:

“WARNING: This product contains lead, a chemical known to the State of California to cause cancer and birth defects (or other reproductive harm).

(California Health & Safety Code Section 25249.5 et seq.)”

The warning statement shall be prominent and displayed with such conspicuousness, as compared with other words, statements, or designs, as to render it likely to be read and reasonably understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Release, “Revised Label” does not include an MSDS form that otherwise meets the requirements of Paragraph 2. The labeling revisions may be made in the form of an adhesive sticker, stamp or permanent changes to the outside packaging of the product package.

3. Deemed Compliance. Any New Products (as defined in this Paragraph 3) manufactured, distributed and/or sold by Du-Bro after the Revised Label Compliance Date shall be deemed to comply with the provisions of this Release and the requirements of Proposition 65 with respect to product warnings if they are accompanied by Revised Labels as set forth in Paragraph 2 of this Release. For purposes of this Release, “New Products” shall include any Products that are substantially similar to those included in Exhibit A which contain, or whose customary use or application may produce fumes or gases that contain, a Listed Chemical and which were not manufactured, distributed and/or sold by Du-Bro into California on or before the Effective Date.

4. Civil Penalty. Du-Bro agrees to a civil penalty of \$4,000 to be paid in two installments. The first payment of \$1,000 shall be made to DiPirro within five (5) calendar days of the Effective Date. The second payment of \$3,000, which is due on March 30, 2001, shall be waived if Du-Bro has sent DiPirro a notice, no later than March 30, 2001, certifying that Du-Bro has not sold or distributed lead containing solder products in California between the Effective Date (March 1, 2000) and March 15, 2001. Any penalty monies received shall be apportioned by DiPirro in accordance with Health & Safety Code § 25192, with 75% of these funds remitted to the State of California. The \$1,000 payment shall be made payable to the “Chanler Law Group in Trust for Michael DiPirro” and shall be held in escrow by DiPirro’s counsel until the Court has approved this settlement and issued the Order as set forth in Paragraph 11. It is specifically understood and agreed that DiPirro shall bear all responsibility for apportioning and paying to the State of California the appropriate civil penalties paid in accordance with this paragraph. In the event the Court rejects this settlement and fails to issue the Order as set forth in

Paragraph 11, the payment made pursuant to this paragraph shall be returned to Du-Bro, with interest thereon at a rate of six percent (6%) per annum, within five (5) days of receipt of notice of the Court's rejection of the settlement and proposed Order.

5. Reimbursement of Fees and Costs. The parties acknowledge that DiPirro offered to resolve the dispute without reaching terms on the amount of fees and costs to be reimbursed, thereby leaving this open issue to be resolved after the material terms of the agreement had been reached, and the matter settled. Du-Bro then expressed a desire to resolve the fee and cost issue concurrently with other settlement terms, so the parties reached an accord on the compensation due to DiPirro and his counsel under the private attorney general doctrine codified at California Code of Civil Procedure Section 1021.5.

Du-Bro shall reimburse DiPirro for his fees and costs, incurred as a result of investigating, bringing this matter to Du-Bro's attention, litigating and negotiating a settlement in the public interest. Du-Bro shall within five (5) calendar days of the Effective Date of the Release, pay to DiPirro the sum of \$3,800 for his investigation, expert, attorneys' and paraprofessional fees and costs incurred in this matter. The \$3,800 amount shall be made payable to the "Chanler Law Group" and held in escrow by DiPirro's counsel until the Court has approved this settlement and issued an Order as set forth in Paragraph 11. In the event the Court rejects this settlement and fails to issue the Order as set forth in Paragraph 11, the amounts paid by Du-Bro in accordance with this paragraph shall be returned to Du-Bro with interest thereon at a rate of six percent (6%) per annum, within five (5) days of receipt of notice of the Court's rejection of the settlement and proposed Order.

6. DiPirro's Release of Du-Bro In further consideration of the promises and agreements herein contained, and for the payments to be made pursuant to Paragraphs 4 and 5, DiPirro, by this Release, on behalf of himself, his agents, representatives, attorneys, and/or assignees, and the People of the State of California on whose behalf this action was brought, hereby waives all rights to institute and participate in, directly or indirectly, any form of legal action and releases all claims, including, without limitation, all actions, causes of action, in law or in equity, suits, liabilities, demands, damages, fines, penalties, losses or expenses (including investigation fees, expert fees and attorneys' fees and other costs) of any nature whatsoever, whether known or unknown, fixed or contingent, (collectively, "Claims") against Du-Bro and its parent and affiliated companies, divisions, subdivisions, subsidiaries (and the predecessors, successors and assigns of any of them) and their respective officers, directors, attorneys, representatives, shareholders, partners, agents, and employees (collectively, "Du-Bro Releasees"). This waiver and release shall pertain to Claims arising under Proposition 65 or

Business & Professions Code §§17200 *et seq.*, related to Du-Bro's alleged failure to warn about exposures on or before the Effective Date to certain Listed Chemicals contained in, or which are likely to be produced in the fumes or gases resulting from the customary use and application of, any of the Covered Products listed in Exhibit A. It is specifically understood and agreed that Du-Bro's compliance with the terms of this Release resolves all issues and liability, now and in the future, concerning the Du-Bro Releasees' past compliance with the requirements of Proposition 65 or Business and Professions Code §§17200 *et seq.*, arising from Du-Bro's alleged failure to comply with Proposition 65 in connection with the Covered Products listed on Exhibit A occurring on or before the Effective Date.

7. **DiPirro's Release of "Downstream Parties."** DiPirro, on behalf of himself, his agents, and/or assignees and the People of the State of California on whose behalf this action was brought, further waives all rights to institute any form of legal action and releases all Claims against each distributor, wholesaler, retailer, dealer, customer, owner, operator, lessor, lessee or user of the Covered Products, or any of their respective parent and affiliated companies, divisions, subdivisions, subsidiaries (and the predecessors, successors and assigns of any of them) and their respective officers, directors, shareholders, partners, attorneys, representatives, agents, employees (collectively, "Downstream Parties"). This waiver and release shall pertain to Claims arising under Proposition 65 or Business & Professions Code §§17200 *et seq.*, related to the Downstream Parties' alleged failure to warn about exposures on or before the Effective Date to Listed Chemicals contained in, or which are likely to be produced in fumes or gases resulting from the customary use or application of, Covered Products listed in Exhibit A. It is specifically understood and agreed that this Release resolves all issues and liability concerning the Downstream Parties' past compliance with the requirements of Proposition 65 or Business & Professions Code §§17200, *et seq.*, arising from Du-Bro's or the Downstream Parties' alleged failure to comply with Proposition 65 in connection with the Covered Products on or before the Effective Date.

8. **Du-Bro Release.** Du-Bro, by this Release, waives all rights to institute any form of legal action against DiPirro, and his attorneys or representatives, for all actions taken or statements made on or before the Effective Date by DiPirro, and his attorneys or representatives, in the course of seeking enforcement of Proposition 65 or Business & Professions Code §§17200, *et seq.* against Du-Bro.

9. **Product Characterization.** Du-Bro acknowledges that each of the Covered Products listed in Exhibit A contains, or in the customary use or application of the Covered Products likely produces fumes or gases that contain one or more substances known to the State

of California to cause cancer or birth defects (or other reproductive harm). In the event that Du-Bro obtains analytical, risk assessment or other data ("Exposure Data") that shows that an exposure to any or all Covered Products poses "no significant risk" or will have "no observable effect," as each such standard is applicable and as each is defined under Health & Safety Code §25249.10(c), Du-Bro shall provide DiPirro with 90 days prior written notice of its intent to limit or eliminate the warning provisions under this Release based on the Exposure Data and shall provide DiPirro with all such supporting Exposure Data. Within thirty (30) days of receipt of Du-Bro's Exposure Data, DiPirro shall provide Du-Bro with written notice of his intent to challenge the Exposure Data (in the event that he chooses to make such a challenge). If DiPirro fails to provide Du-Bro written notice of his intent to challenge the Exposure Data within thirty (30) days of receipt of Du-Bro's notice and the Exposure Data, DiPirro shall waive all rights to challenge the Exposure Data, and Du-Bro shall be entitled to limit or eliminate the warning provisions required under this Release with respect to those Covered Product(s) to which the Exposure Data applies. If DiPirro timely notifies Du-Bro of his intent to challenge the Exposure Data, DiPirro and Du-Bro shall negotiate in good faith to attempt to reach a settlement. In the event that no settlement is reached within thirty (30) days of mailing by DiPirro of such notice of challenge, DiPirro and Du-Bro agree to submit such challenge to the Court for determination, pursuant to the Court's continuing jurisdiction of this matter under California Code of Civil Procedure §664.6 and this Release. The prevailing party shall be entitled to reasonable attorneys' fees and costs associated with such a determination. If DiPirro does not challenge Du-Bro's notice or the Court determines that no warning is required for particular Covered Products, Du-Bro shall no longer be required to provide the warnings described in this Release for those Covered Products.

10. Du-Bro's Covered Product Information. Du-Bro understands that the Covered Product sales (and other) information provided to counsel for DiPirro by Du-Bro was a material factor upon which DiPirro has relied to determine a fair and reasonable settlement as set forth in this Release. To the best of Du-Bro's knowledge, the information provided is true and accurate. In the event DiPirro discovers facts which demonstrate to a reasonable degree of certainty that the information is materially inaccurate, all other parts of this Release notwithstanding, DiPirro shall have the right to rescind this Release and re-institute an enforcement action against Du-Bro, provided that all sums paid by Du-Bro pursuant to Paragraphs 3 and 4 are returned to Du-Bro, with interest thereon at a rate of six percent (6%) per annum, within five (5) days from the date on which DiPirro notifies Du-Bro of his intent to rescind this Release. In such case, all applicable statutes of limitation shall be deemed tolled for the period between the date DiPirro filed the instant action and the date DiPirro notifies Du-Bro that he is rescinding this Release pursuant to

this paragraph, provided that, in no event shall any statute of limitation be tolled beyond four (4) years from the date this action was filed.

11. Stipulated Judgment and Order. The parties shall file a Stipulated Judgment to be approved pursuant to California Code of Civil Procedure Section 664.6 by the Alameda County Superior Court in accordance with the terms of this Release. It is expressly understood and agreed by the parties hereto that the rights and obligations contained in this Release are expressly conditioned on the issuance by the Court of an Order approving the Stipulated Judgment. If the Court fails to issue such Order within sixty (60) days of the Effective Date, this Release shall be deemed null and void as of the sixty-first (61st) day after the Effective Date.

12. Severability. In the event that any of the provisions of this Release are held by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected thereby.

13. Attorneys' Fees. In the event that a dispute arises with respect to any provision(s) of this Release, the prevailing party shall be entitled to recover costs and reasonable attorneys' fees.

14. Governing Law. The terms of this Release shall be governed by the laws of the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Covered Products specifically, Du-Bro shall have no further obligations pursuant to this Release with respect to, and to the extent that, those Covered Products are so affected.

15. Notices. All correspondence and notices required to be provided pursuant to this Release shall be in writing and shall be personally delivered or sent by first-class, registered, certified mail, overnight courier, and/or via facsimile transmission (with presentation of facsimile transmission confirmation) addressed as follows:

16. **No Admissions.** Nothing in this Release shall constitute or be construed as an admission by Du-Bro of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Release constitute or be construed as an admission by Du-Bro of any fact, finding, conclusion, issue of issue of law, or violation of law, such being specifically denied by Du-Bro. Du-Bro reserves all of its rights and defenses with regard to any claim by any party under Proposition 65 or otherwise. However, this Paragraph shall not diminish or otherwise affect the obligations, responsibilities, and duties of Du-Bro under this Release.

17. **Entire Agreement; Modification.** This Release, together with the exhibits hereto which are specifically incorporated herein by this reference, constitutes the entire agreement between the parties relating to the rights and obligations herein granted and assumed, and supersedes all prior agreements and understandings between the parties.
