

# **SETTLEMENT AGREEMENT**

## **1. INTRODUCTION**

### **1.1 John Moore and Electra Bicycle Company, LLC**

This Settlement Agreement is entered into by and between John Moore ("Moore"), and Electra Bicycle Company, LLC ("Electra"), with Moore and Electra collectively referred to as the "parties." Moore is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Electra employs ten or more persons and is a person in the course of doing business for purposes of Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* ("Proposition 65").

### **1.2 General Allegations**

Moore alleges that Electra has manufactured, distributed and/or sold in the State of California, bicycle handle grips containing the phthalate chemical di(2-ethylhexyl)phthalate ("DEHP"). DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause cancer, birth defects and other reproductive harm. Electra denies these allegations in their entirety.

### **1.3 Product Description**

The products that are covered by this Settlement Agreement are defined as bicycle handle grips containing DEHP manufactured, distributed, sold and/or offered for sale in California by Electra including, but not limited to, *Electra Custom Grips, #VLG-123*, hereinafter the "Products".

### **1.4 Notices of Violation**

On July 1, 2010, Moore served Electra and various public enforcement agencies with a document entitled "60-Day Notice of Violation" that provided the recipients with notice that alleged that Electra was in violation of California Health & Safety Code § 25249.6 for failing to

warn consumers and customers that its Products exposed users in California to DEHP. No public enforcer has diligently prosecuted the allegations set forth in the July 1, 2010, Notice.

**1.5 No Admission**

Electra denies the material, factual and legal allegations contained in Moore's Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in full compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Electra of any fact, finding, issue of law, or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Electra of any fact, finding, conclusion, issue of law or violation of law, such being specifically denied by Electra. However, this section shall not diminish or otherwise affect the obligations, responsibilities and duties of Electra under this Settlement Agreement.

**1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean November 15, 2011.

**2. INJUNCTIVE RELIEF: REFORMULATION**

**2.1 Reformulation Standards**

Reformulated Products are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) in each accessible component when analyzed pursuant to CPSC-CH-C1001-09.3 or any other methodology utilized by federal or state agencies for the purpose of determining DEHP content in a solid substance.

**2.2 Reformulation Commitment**

Commencing on the Effective Date, Electra shall distribute, sell and/or offer for sale in California only Products that qualify as Reformulated Products pursuant to Section 2.1 above.

**3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(b)**

In settlement of all the claims referred to in this Settlement Agreement, Electra shall pay \$2,000 in civil penalties. This civil penalty reflects a credit of \$4,000 due to Electra's

commitment to reformulate the Products pursuant to Section 2 above. Civil penalties are to be apportioned in accordance with California Health & Safety Code §§25249.12(c) & (d), with 75% of these funds remitted to the State of California's Office of Environmental Health Hazard Assessment ("OEHHA") and the remaining 25% of the penalty remitted to Moore. Electra shall issue two separate checks for the penalty payment: (a) one check made payable to The Chanler Group in Trust for the State of California's Office of Environmental Health Hazard Assessment ("The Chanler Group in Trust for OEHHA") in the amount of \$1,500, representing 75% of the total penalty and (b) one check to "The Chanler Group in Trust for John Moore" in the amount of \$500, representing 25% of the total penalty. Two separate 1099s shall be issued for the above payments: The first 1099 shall be issued to OEHHA, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486). The second 1099 shall be issued to Moore, whose address and tax identification number shall be furnished, upon request, at least five calendar days before payment is due. The payments shall be delivered on or before November 15, 2011, to the following address:

The Chanler Group  
Attn: Proposition 65 Controller  
2560 Ninth Street  
Parker Plaza, Suite 214  
Berkeley, CA 94710

#### **4. REIMBURSEMENT OF FEES AND COSTS**

The parties acknowledge that Moore and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. Electra then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to Moore and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5, for all work performed through the mutual execution of this agreement. Electra shall pay the total

amount of \$16,000 for fees and costs incurred as a result of investigating, bringing this matter to Electra's attention, and negotiating a settlement in the public interest. Electra shall issue a separate 1099 for fees and costs (EIN: 94-3171522), shall make the check payable to "The Chanler Group" and shall deliver payment on or before November 15, 2011, to the following address:

The Chanler Group  
Attn: Proposition 65 Controller  
2560 Ninth Street  
Parker Plaza, Suite 214  
Berkeley, CA 94710-2565

**5. RELEASE OF ALL CLAIMS**

**5.1 Full, Final and Binding Resolution of Proposition 65 Allegations**

This Settlement Agreement is a full, final and binding resolution between Moore, on behalf of himself and the public, and Electra, of any violation of Proposition 65 that was or could have been asserted by Moore against Electra, its parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, attorneys, and each entity to whom Electra directly or indirectly distributes or sells Products, including but not limited to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensors, and licensees ("Releasees"), based on their failure to warn about alleged exposures to DEHP contained in the Products that were sold by Electra.

**5.2 Moore's Public Release of Proposition 65 Claims**

In further consideration of the promises and agreements herein contained, Moore on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, and in the interest of the general public, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses -- including, but not limited to, investigation fees, expert fees, and attorneys' fees, but exclusive of fees and costs on

appeal -- limited to and arising under Proposition 65 with respect to DEHP in the Products sold by Electra (collectively "claims"), against Electra and Releasees.

### **5.3 Moore's Individual Release of Claims**

Moore also, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of plaintiff of any nature, character or kind, whether known or unknown, suspected or unsuspected, against Electra and Releasees, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, distributed or sold by Electra.

Moore also, in his individual capacity only and *not* in his representative capacity, provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Moore of any nature, character or kind, known or unknown, suspected or unsuspected, arising out of the subject matter of the Complaint. Moore acknowledges that he is familiar with Section 1542 of the California Civil Code, which provides as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.

Moore, in his individual capacity only and *not* in his representative capacity, expressly waives and relinquishes any and all rights and benefits which he may have under, or which may be conferred on him by the provisions of Section 1542 of the California Civil Code as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that he may lawfully waive such rights or benefits pertaining to the released matters. In furtherance of such intention, the release hereby given shall be and remain in effect as a full and

complete release notwithstanding the discovery or existence of any such additional or different claims or facts arising out of the released matters.

#### **5.4 Electra's Release of Moore**

Electra on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Moore, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Moore and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

Electra also provides a general release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Held of any nature, character or kind, known or unknown, suspected or unsuspected, arising out of the subject matter of the Action. Electra acknowledges that it is familiar with Section 1542 of the California Civil Code, which provides as follows:

**A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR.**

Electra expressly waives and relinquishes any and all rights and benefits which it may have under, or which may be conferred on it by the provisions of Section 1542 of the California Civil Code as well as under any other state or federal statute or common law principle of similar effect, to the fullest extent that it may lawfully waive such rights or benefits pertaining to the released matters. In furtherance of such intention, the release hereby given shall be and remain in effect as a full and complete release notwithstanding the discovery or existence of any such additional or different claims or facts arising out of the released matters.

**6. POST EXECUTION ACTIVITIES**

The parties intend and agree that this Settlement Agreement shall be given full effect for purposes of precluding claims regarding the Products against Electra or the Releasees under Proposition 65 as covered under this release. If requested in writing by Electra (within twelve months of the Effective Date), Electra may ask Moore to file a complaint and seek approval of this Settlement Agreement through a court approved consent judgment incorporating the terms of this Settlement Agreement pursuant to California Health and Safety Code § 25249.7, or as may be otherwise allowed by law. If requested, Moore agrees to reasonably cooperate with Electra and to use best efforts and that of his counsel to support the entry of a consent judgment incorporating the terms of this Settlement Agreement for approval by a superior court in California. Pursuant to CCP §§ 1021 and 1021.5, Electra will reimburse Moore and his counsel for their reasonable fees and costs incurred in filing the complaint and seeking judicial approval of this Settlement Agreement in an amount not to exceed \$15,000. No fees under this paragraph will be due and owing to Moore or his counsel unless a written request is made by Electra to have Moore file a complaint and seek a consent judgment. Electra will remit payment to The Chanler Group, at the address set forth in Section 4 above. Such additional fees shall be paid by Electra within ten days after its receipt of monthly invoices from Moore for work performed under this paragraph. In the event a third party were to appeal the entry of a Consent Judgment sought pursuant to this Section 6, Moore and his counsel shall be entitled to seek their fees and costs associated with all such appealed work pursuant to CCP § 1021.5.

**7. SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

**8. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Electra shall provide written notice to Moore of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Electra from any obligation to comply with any pertinent state or federal toxics control law.
