STIPULATION AND [PROPOSED]  
ORDER RE: CONSENT JUDGMENT

1 **1. INTRODUCTION**

2 **1.1 Anthony Held, Russell Brimer and Shims Bargain, Inc.**

3 This Stipulation and [Proposed] Order Re: Consent Judgment ("Consent Judgment") is  
4 entered into by and between Anthony E. Held, Ph.D., P.E. (hereinafter "Held"), Russell Brimer  
5 (hereinafter "Brimer") and Shims Bargain, Inc. (hereinafter "Shims"), with Held, Brimer  
6 collectively referred to herein as "Plaintiffs" and Held, Brimer and Shims collectively referred to as  
7 the "Parties." Held and Brimer are individuals residing in California who seek to promote  
8 awareness of exposures to toxic chemicals and improve human health by reducing or eliminating  
9 hazardous substances contained in consumer products. Shims employs ten or more persons and is a  
10 person in the course of doing business for purposes of Proposition 65.

11 **1.2 General Allegations**

12 Held alleges that Shims has manufactured, distributed and/or sold in the State of California  
13 the following products: children's soft vinyl balls containing di(2-ethylhexyl)phthalate ("DEHP")  
14 and lead including, but not limited to, *Super Shoot Football* (#6 03076 30752 5) and *Football,*  
15 *Baseball, Basketball Set* (#6 03076 30752 5); vinyl bags containing DEHP including, but not  
16 limited to, *Cal-Best Halloween Treat Bag, Item 90592* (#6 03076 90592 9); pillows with vinyl  
17 components containing DEHP including, but not limited to *Cal-Best Baby's First X'Mas Pillow,*  
18 *Item 96028* (#6 03076 96028 7). Brimer alleges that Shims has manufactured, distributed and/or  
19 sold in the State of California vinyl-coated paper fasteners containing lead including, but not  
20 limited to those contained in *Cal-Best Stationery Kits, Item 61165* (#6 03076 61165 3). DEHP and  
21 lead are listed pursuant to the Safe Drinking Water and Toxic Enforcement Act of 1986, California  
22 Health & Safety Code §25249.5, *et seq.* ("Proposition 65"), as chemicals known to the State of  
23 California to cause birth defects and other reproductive harm. DEHP and lead shall be referred to  
24 herein as the "Listed Chemicals."

25 ///  
26 ///  
27 ///  
28 ///

1           **1.3    Product Description**

2           The products that are covered by this Consent Judgment are defined, as follows: children's  
3 soft vinyl balls, vinyl-coated paper fasteners, vinyl bags and/or pillows with vinyl components  
4 manufactured, distributed and/or sold in California by Shims which contain one or more of the  
5 Listed Chemicals. All such items shall be referred to herein as the "Products."

6           **1.4    Notices of Violation**

7           On or about December 23, 2008, and September 15, 2009, Held served Shims and various  
8 public enforcement agencies with documents entitled "60-Day Notice of Violation" that provided  
9 Shims and such public enforcers with notice that alleged that Shims was in violation of California  
10 Health & Safety Code §25249.6 for (1) failing to warn consumers and customers that one or more  
11 of the Products exposed users in California to DEHP and/or lead. Similarly, on March 5, 2009,  
12 Brimer served Shims and various public enforcement agencies with a document entitled "60-Day  
13 Notice of Violation" that provided Shims and such public enforcers with notice that alleged that  
14 Shims was in violation of California Health & Safety Code §25249.6 for (1) failing to warn  
15 consumers and customers that one or more of the Products exposed users in California to lead. All  
16 the 60-Day Notices of Violation referenced in this section 1.4 shall hereinafter be collectively  
17 referred to as the "Notices." No public enforcer has diligently prosecuted the allegations set forth in  
18 the Notices.

19           **1.5    No Admission**

20           Shims denies the material factual and legal allegations contained in Plaintiffs' Notices and  
21 maintains that all products that it has sold and distributed in California, including the Products, have  
22 been and are in compliance with all laws. Nothing in this Consent Judgment shall be construed as  
23 an admission by Shims of any fact, finding, issue of law, or violation of law; nor shall compliance  
24 with this Consent Judgment constitute or be construed as an admission by Shims of any fact,  
25 finding, conclusion, issue of law or violation of law, such being specifically denied by Shims.  
26 However, this section shall not diminish or otherwise affect the obligations, responsibilities and  
27 duties of Shims under this Consent Judgment.

28    ///

1           **1.6    Effective Date**

2           For purposes of this Consent Judgment, the term “Effective Date” shall mean the date of  
3           execution of this Consent Judgment by the Parties.

4           **2.    INJUNCTIVE RELIEF: WARNINGS AND REFORMULATION**

5           **2.1    Product Warnings**

6           Commencing on the Effective Date, Shims shall not sell, ship, or offer to be shipped for sale  
7           in California any Product unless such Product is sold or shipped with one of the clear and  
8           reasonable warnings set forth in subsections 2.1(a) and (b), or is otherwise exempt pursuant to  
9           Section 2.2, as compliant with the reformulation standards set forth in Section 2.3.

10          Each warning shall be prominently placed with such conspicuousness as compared with other  
11          words, statements, designs, or devices as to render it likely to be read and understood by an  
12          ordinary individual under customary conditions before purchase or use. Each warning shall be  
13          provided in a manner such that the consumer or user understands to which *specific* Product the  
14          warning applies, so as to minimize if not eliminate the chance that an overwarning situation will  
15          arise. Nothing in this Consent Judgment shall be interpreted to relieve Shims from any obligation  
16          to comply with any pertinent state or federal toxics control laws (*e.g.*, the federal ban on selling  
17          childcare items and certain children’s toys containing more than 1,000 ppm of DEHP or more than  
18          300 ppm of lead).

19                 **(a)    Product Labeling.** Shims may affix or cause to be affixed a warning to the  
20          packaging, labeling, or directly on each Product sold in retail outlets in California by Shims or its  
21          agents, that states:

22                                 **WARNING:** This product contains DEHP, a phthalate  
23   chemical, lead and other chemicals known  
24   to the State of California to cause cancer,  
   birth defects and other reproductive harm.

25                 **(b)    Point-of-Sale Warnings.** Alternatively, Shims may provide or cause to be  
26          provided warning signs in the form below to its customers in California with instructions to post the  
27          warnings in close proximity to the point of display of the Products. Shims may perform its warning  
28          obligations by ensuring that signs are posted at retail outlets in the State of California where the

1 Products are sold. In order to avail themselves of the point-of-sale warning option, Shims shall  
2 provide a written notice (via certified mail in the first quarter of each calendar year or, in the  
3 alternative, at the point-of-sale) to each retailer or distributor to whom Shims sells or transfers the  
4 Products directly, which informs such retailers or distributors that point-of-sale warnings are  
5 required at each retail location in the State of California. Shims shall include a copy of the warning  
6 signs and posting instructions with such notice. Point-of-sale warnings shall be provided through  
7 one or more signs posted in close proximity to the point of display of the Products.

8 **WARNING:** This product contains DEHP, a phthalate  
9 chemical, lead and other chemicals known  
10 to the State of California to cause cancer,  
11 birth defects and other reproductive harm.

12 Where more than one Product is sold in proximity to other like items or to those that do not  
13 require a warning (*e.g.*, Reformulated Products as defined in Section 2.3), the following statement  
14 must be used:<sup>1</sup>

15 **WARNING:** This product contains DEHP, a phthalate  
16 chemical, lead and other chemicals known  
17 to the State of California to cause cancer,  
18 birth defects and other reproductive harm.

## 19 **2.2 Exceptions To Warning Requirements**

20 The warning requirements set forth in Section 2.1 shall not apply to Reformulated Products  
21 (as defined in Section 2.3 below).

## 22 **2.3 Reformulation Commitment**

23 As of June 30, 2010, Shims shall only sell or cause to be sold, Products in California that are  
24 Phthalate Free and Lead Free. For purposes of this Consent Judgment, "Phthalate Free" Products  
25 shall mean Products containing less than or equal to 1,000 parts per million ("ppm") of DEHP and  
26 "Lead Free" shall mean products containing less than or equal to 300 ppm of lead when analyzed  
27 pursuant to Environmental Protection Agency ("EPA") testing methodologies 3580A and 8270C

28 <sup>1</sup>For purposes of the consent judgment, "sold in proximity" shall mean that any Products and another product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

1 for DEHP, 3050B and 6010B for lead, or equivalent methods as may be allowed under Proposition  
2 65.

3 **2.4 Recall of Past Products**

4 Shims hereby agrees to recall the following Products sold in California without a clear and  
5 reasonable Proposition 65 warning prior to the Effective Date: the children's soft vinyl balls  
6 containing DEHP and lead, *Super Shoot Football* (#6 03076 30752 5) and *Football, Baseball,*  
7 *Basketball Sets* (#6 03076 30752 5); the vinyl-coated paper fasteners containing lead in the *Cal-*

11 facilities where one or more Products are sold, viewed for future sale or distributed, including all  
12 showrooms, retail facilities, distribution warehouses and wholesale facilities for the following  
13 Products: the children's soft vinyl balls containing DEHP and lead including *Super Shoot Football*  
14 (*#6 03076 30752 5*) and *Football, Baseball, Basketball Set* (#6 03076 30752 5); the vinyl-coated  
15 paper fasteners containing lead including those contained in *Cal-Best Stationery Kits* (#6 03076

18 *X'Mas Pillow* (#6 03076 96028 7). The recall notice posted at each of Shims' facilities shall be  
19 prominently placed with such conspicuousness as compared with other words, statements, designs,  
20 or devices as to render it likely to be read and understood by an ordinary individual. Said recall  
21 notice shall be posted within thirty (30) days of the Effective Date and shall remain posted for not  
22 less than six months.

16 4. **REIMBURSEMENT OF FEES AND COSTS**

17 The parties reached an accord on the compensation due to Plaintiffs and their counsel under  
18 the private attorney general doctrine and principles of contract law. Under these legal principles,  
19 Shims shall reimburse Plaintiffs' counsel for fees and costs, incurred as a result of investigating,  
20 bringing this matter to Shims attention, and negotiating a settlement in the public interest. This  
21 figure includes Plaintiffs' future fees and costs including attorney's fees to be incurred in seeking  
22 judicial approval of this Consent Judgment as well as any other legal work performed after the

3 **5. RELEASE OF ALL CLAIMS**

4 **5.1 Release of Shims and Downstream Customers**

5 In further consideration of the promises and agreements herein contained, and for the  
6 payments to be made pursuant to Sections 3 and 4 above, Plaintiffs, on behalf of themselves, their  
7 past and current agents, representatives, attorneys, successors and/or assignees, and in the interest  
8 of the general public, hereby waive all rights to institute or participate in, directly or indirectly, any  
9 form of legal action and release all claims, including, without limitation, all actions, and causes of  
10 action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties,

28 taken or made) by Plaintiffs and their attorneys and other representatives, whether in the course of

1 investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter,  
2 and/or with respect to the Products.

3 **6. SEVERABILITY**

4 If, subsequent to the execution of this Consent Judgment, any of the provisions of this  
5 Consent Judgment are held by a court to be unenforceable, the validity of the enforceable  
6 provisions remaining shall not be adversely affected.

7 **7. GOVERNING LAW**

8 The terms of this Consent Judgment shall be governed by the laws of the State of California  
9 and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise

11 written notice to Plaintiffs of any asserted change in the law, and shall have no further obligations  
12 pursuant to this Consent Judgment with respect to, and to the extent that, the Products are so
