

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Anthony Held and Tri-Coastal Design Group, Inc.

This Settlement Agreement is entered into by and between Anthony E. Held, Ph.D., P.E. (“Dr. Held”) and Tri-Coastal Design Group, Inc., (“Tri-Coastal”), with Dr. Held and Tri-Coastal collectively referred to as the “Parties.” Dr. Held is an individual residing in the State of California who asserts that he seeks to promote awareness of exposure to toxic chemicals and improve human health by reducing or eliminating hazardous substances contained in consumer products. Tri-Coastal employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6 *et seq.* (“Proposition 65”).

1.2 General Allegations

Dr. Held alleges that Tri-Coastal has manufactured, distributed, and/or offered for sale in California tote bags containing the phthalate chemical di(2-ethylhexyl)phthalate (“DEHP”) without the requisite Proposition 65 warnings. DEHP (hereinafter “Listed Chemical”) is listed pursuant to Proposition 65 as a chemical known to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as follows: tote bags containing the Listed Chemical such as, but not limited to, *Spirit Trick-or-Treat Bag, Angel*, #01006022, manufactured, distributed, sold and/or offered for sale in California by Tri-Coastal. All tote bags containing the Listed Chemical are referred to hereinafter as the “Products.”

1.4 Notice of Violation

On or about April 25, 2011, Dr. Held served Spencer Gifts LLC and various public enforcement agencies with a document entitled “60-Day Notice of Violation” (“Spencer Notice”) that provided the recipients with notice of alleged violations of California Health & Safety Code § 25249.6 by Spencer Gifts LLC for failing to warn its customers and consumers in California that the Products it sold exposed users to the Listed Chemical. On or about September 19, 2011, Dr. Held served Spencer Gifts LLC, Tri-Coastal and various public enforcement agencies with a document entitled “Supplemental 60-Day Notice of Violation” (“Supplemental Notice”) that provided the recipients with notice of alleged violations of California Health & Safety Code § 25249.6 by Spencer Gifts LLC and Tri-Coastal for failing to warn its customers and consumers in California that the Products it sold exposed users to the Listed Chemical. The Spencer Notice served on April 25, 2011, and the Supplemental Notice served on September 19, 2011 shall be collectively referred to herein as the “Notices.” To the best of the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notices.

1.5 No Admission

Tri-Coastal denies the material, factual, and legal allegations contained in the Notices and maintains that all of the products that it has sold and distributed in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Tri-Coastal of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Tri-Coastal of any fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Tri-Coastal. However, this section shall not diminish or otherwise affect Tri-Coastal’s obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term “Effective Date” shall mean November 30, 2011.

2. INJUNCTIVE RELIEF: REFORMULATION

2.1 Reformulation Commitment

As of the Effective Date, Tri-Coastal shall only manufacture, distribute, sell and/or offer for sale in California Products that are Phthalate Free. For purposes of this Settlement Agreement, “Phthalate Free” Products shall mean Products containing less than or equal to 1,000 parts per million (0.1%) of the Listed Chemical when analyzed pursuant to Environmental Protection Agency testing methodologies 3580A and 8270C.

3. PENALTIES PURSUANT TO HEALTH & SAFETY CODE §25249.7(b)

Pursuant to California Health & Safety Code § 25249.7(b), and in settlement of all claims alleged in the Notice and Complaint and referred to in this Settlement Agreement, Tri-Coastal shall pay \$4,000 in combined penalty payments and credits.

For its cooperation in the settlement process and its commitment to reformulate the Products to be Phthalate Free pursuant to Section 2.1 above, Dr. Held shall provide Tri-Coastal with a penalty credit of \$2,000. Thereafter, the remaining penalty amount of \$2,000 will be paid by Tri-Coastal and apportioned according to Health & Safety Code §§ 25249.12 (c)(1) & (d), with 75% of the penalty amount remitted to the State of California’s Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty paid to Dr. Held.

Tri-Coastal shall issue two checks for the penalty payment: (a) one check payable to “The Chanler Group in Trust for OEHHA” in the amount of \$1,500, and (b) one to “The Chanler Group in Trust for Dr. Anthony E. Held” in the amount of \$500. Two 1099 forms shall be provided for the above payments to: (a) Office of Environmental Health Hazard Assessment, P.O. Box 4010, Sacramento, CA 95814 (EIN: 68-0284486); and (b) Dr. Anthony E. Held, whose address and tax identification

number shall be furnished, upon request, at least five (5) calendar days before payment is due. Payment shall be delivered on or before the Effective Date at the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4. REIMBURSEMENT OF FEES AND COSTS

The parties acknowledge that Dr. Held and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee issue to be resolved after the material terms of the agreement had been settled. Tri-Coastal then expressed a desire to resolve the fee and cost issue shortly after the other settlement terms had been finalized. The parties then attempted to (and did) reach an accord on the compensation due to Dr. Held and his counsel under the private attorney general doctrine and principles of contract law. Under these legal principles, Tri-Coastal shall reimburse Dr. Held's counsel for fees and costs incurred as a result of investigating, bringing this matter to Tri-Coastal's attention, and negotiating a settlement in the public interest. Tri-Coastal shall pay Dr. Held's counsel \$22,000 for all attorneys' fees, expert and investigation fees, and related costs. The payment shall be issued in a third check made payable to "The Chanler Group" and shall be delivered on or before the Effective Date at the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

Tri-Coastal shall issue a separate 1099 for attorneys' fees and costs paid to The Chanler Group (EIN: 94-3171522).

5. CLAIMS COVERED AND RELEASED

5.1 Full, Final and Binding Resolution of Proposition 65 Allegations.

This Settlement Agreement is a full, final and binding resolution between Dr. Held, on behalf of himself and the public, and Tri-Coastal, of any violation of Proposition 65 that was or could have been asserted by Dr. Held against Tri-Coastal, its parents, subsidiaries, affiliated entities that are under common ownership, directors, officers, employees, attorneys, and each entity to whom Tri-Coastal directly or indirectly distributes or sells Products, including but not limited to Spencer Gifts LLC and other downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, licensors, and licensees (“Releasees”), based on their failure to warn about alleged exposures to DEHP contained in the Products that were sold by Tri-Coastal.

5.2 Dr. Held’s Public Release of Proposition 65 Claims.

In further consideration of the promises and agreements herein contained, Dr. Held on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, and in the interest of the general public, hereby waives all rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses -- including, but not limited to, investigation fees, expert fees, and attorneys’ fees, but exclusive of fees and costs on appeal -- limited to and arising under Proposition 65 with respect to DEHP in the Products sold by Tri-Coastal (collectively “claims”), against Tri-Coastal and Releasees.

5.3 Dr. Held’s Individual Release of Claims.

Dr. Held also, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses,

attorneys' fees, damages, losses, claims, liabilities and demands of plaintiff of any nature, character or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, distributed or sold by Tri-Coastal.

5.4 Tri-Coastal's Release of Dr. Held.

Tri-Coastal on behalf of itself, its past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives any and all claims against Dr. Held, his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Dr. Held and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

6. COURT APPROVAL

This Settlement Agreement shall be null and void in the event that the Attorney General's office or any other public enforcer under the statute exercises its authority to prosecute this matter during the 60-day waiting period following the Supplemental Notice.

7. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or as to the Products, then Tri-Coastal may provide written notice to Dr. Held of any asserted change in the law, and shall have no further obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected.
