Exhibit A

DECLARATION OF GEORGE ANTONAROS

I, George Antonaros, declare as follows:

1. I am a partner or managing member in the partnerships and business entity known as John T's Newark, dba John T's Unique Gifts, John T's Unique Gifts LLC, dba John T's Unique Gifts, and John T's Bakersfield, dba John T's Unique Gifts (collectively "John T's"). I have personal knowledge of the following facts, and if called to testify, could and would competently testify to them.

2. This declaration is being made in conjunction with John T's election to resolve any and all claims that could or have been raised against it in the action encaptioned, *Brimer v. John T's Unique Gifts*, Santa Clara County Superior Court Case No. 105CV035931 (the "Lawsuit") by the plaintiff, arising out of the sale of Covered Products (as defined below), by opting in to the settlement approved by the San Francisco County Superior Court in the matter of *Brimer v. The Boelter Companies et al.*, San Francisco County Superior Court Case No. CGC-05-440811 (hereinafter the "Settlement").

3. I am the controller for John T's. As the controller, I am responsible for all financial aspects of the business, including overseeing its sales and accounting. I also personally review and authorize every product order made for the John T's stores. As such, I am familiar with the products carried in our stores. There are a total of ten John T's retail stores in California.

4. My understanding of Covered Products under the

467216.2

DECLARATION OF GEORGE ANTONAROS

1 Settlement, is that it includes glass or ceramicware products
2 with colored artwork, designs and/or markings on the exterior
3 surface that are manufactured, decorated, imported, distributed
4 or offered for use or sale by a settling defendant and that are
5 purchased and/or used by individuals in California for the
6 storage, serving or consumption of food or beverages, including
7 but not limited to, mugs, steins, carafes, bowls, drinking
8 vessels, bottles, condiment dispensers, bowls cups, saucers,
9 plates, trays, pitchers, punch bowls, serving utensils, serving
10 platters and other like items. Covered Products also include
11 glassware or ceramicware household products with colored artwork,
12 designs and/or markings on the exterior surface that are
13 manufactured, decorated, imported, distributed or offered for use
14 or sale by a settling defendant and that are purchased and/or
15 used by individuals in California that are not reasonably used
16 for storing, serving or consuming foods or beverages such as
17 vases, votive holders, ashtrays, coasters, napkin rings,
18 centerpieces, and other like items. Collectively, these products
19 are referred to herein as "Covered Products."

20 5. From February 24-28, 2006, my business partners, Jerry
21 Carucci and John Antonaros, conducted testing for the presence of
22 lead and cadmium in Covered Products (i.e., glassware and
23 ceramicware products) carried by John T's stores. Following
24 these testings, I compiled the test results in a spreadsheet
25 describing the vendor from whom each tested product was acquired,
26 the item, the type of item, the date the item was tested, which
27 John T's store the tested item came from, the lead or cadmium
28 test results, the swab number for the lead or cadmium test as

1 applicable, a reference to the photo number for the product as
2 applicable, and other notes as applicable. The results of that
3 testing are provided in the table attached hereto as Exhibit 1.

4 6. I understand that M. Cornell has already opted in to
5 the Settlement, and therefore, any Covered Products John T's has
6 purchased from M. Cornell are excluded from the Lawsuit.

7 7. I understand that Kalan LP has already opted in to the
8 Settlement, and therefore, any Covered Products John T's has
9 purchased from Kalan LP are excluded from the Lawsuit.

10 8. The following Covered Products carried by one or more
11 John T's stores were acquired from vendors other than M. Cornell
12 or Kalan LP and tested positive for the presence of lead:

13	<u>Item</u>	<u>Vendor</u>
