

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Peter Englander (“Englander”) and, Mercer Tool Corp. (“Mercer”), with Englander and Mercer each individually referred to as a “Party” and collectively as the “Parties.” Englander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Mercer employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 et seq. (“Proposition 65”).

1.2 General Allegations

Englander alleges that Mercer manufactures, imports, sells and/or distributes for sale in the State of California, tools with vinyl/PVC pouches containing di(2-ethylhexyl) phthalate (“DEHP”), and that it does so without providing a Proposition 65 health hazard warning. DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm.

1.3 Product Description

For purposes of this Settlement Agreement “Products” are defined as vinyl/PVC pouches containing DEHP that are manufactured, sold, or distributed for sale in California by Mercer including, but not limited to, the pouch component of the *Mercer Abrasives 4-Piece All Purpose File Set, Part #BFS604, UPC #7 65301 00954 0* identified in Englander’s Notice.

1.4 Notice of Violation

On May 31, 2017, Englander served Mercer, the California Attorney General, and all other requisite public enforcers with a 60-Day Notice of Violation (“Notice”). The

Notice alleges that Mercer violated Proposition 65 by failing to warn its customers and consumers in California of exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

1.5 No Admission

Mercer denies the material, factual, and legal allegations in the Notice, and maintains that all the products that it has manufactured, imported, sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Mercer of any allegation, fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Mercer of any allegation, fact, finding, conclusion, issue of law, or violation of law, all of which are specifically denied by Mercer. This Section shall not, however, diminish or otherwise affect Mercer's obligations, responsibilities, and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean December 15, 2017.

2. INJUNCTIVE RELIEF: REFORMULATION & WARNINGS

2.1 Commitment to Reformulate Products or Provide Warnings

Commencing on the Effective Date and continuing thereafter, Mercer shall only manufacture for sale, purchase for sale, or import for sale in California, Products that are either (a) Reformulated Products as defined by Section 2.2; or (b) offered with a clear and reasonable warning pursuant to Section 2.3, below.

2.2 Reformulated Products Defined

For the purposes of this Settlement Agreement, "Reformulated Products" are defined as Products that contain DEHP in concentrations less than 0.1 percent (1,000

parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by state or federal agencies to determine DEHP content in a solid substance.

2.3 Clear and Reasonable Warnings

Commencing on the Effective Date and continuing thereafter, for any Products sold or distributed for sale in California by Mercer that are not Reformulated Products, Mercer will only offer such Products with a clear and reasonable warning in accordance with this Section and/or Title 27 California Code of Regulations section 25600, et seq., as amended from time to time. Mercer further agrees that any warning used will be prominently placed in relation to the Products with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a warning satisfying the above criteria that is affixed directly to a Product's pouch or its accompanying labeling or packaging containing, at a minimum, either of the following statements shall be deemed clear and reasonable:

WARNING: This can expose you to DEHP, a chemical that is known to the State of California to cause birth defects or other reproductive harm.

WARNING: This pouch contains a chemical known to the State of California to cause birth defects or other reproductive harm.

In the event that Mercer sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if one of the foregoing warnings appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white

equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, provided the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.
