

## SETTLEMENT AGREEMENT

### 1. INTRODUCTION

#### 1.1 Parties

This Settlement Agreement is entered by and between Peter Englander (“Englander”) and, Newell Brands, Inc. (“Newell”), with Englander and Newell each individually referred to as a “Party” and collectively as the “Parties.” Englander is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Newell employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 et seq. (“Proposition 65”).

#### 1.2 General Allegations

Englander alleges that Newell manufactures, imports, sells and/or distributes for sale in California vinyl/PVC sink mats containing di(2-ethylhexyl) phthalate (“DEHP”), and that it does so without providing a Proposition 65 warning. DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm.

#### 1.3 Product Description

For purposes of this Settlement Agreement “Products” are defined collectively as vinyl/PVC sink mats containing DEHP that are manufactured, sold, or distributed for sale in California by Newell including, but not limited to, the *Rubbermaid Sink Divider Mat, #1297, L31786631, UPC #0 71691 44358 2, 1939405, FG1297ARBISQU, and FG1297ARWHT*, identified in Englander’s Notice.

#### 1.4 Notice of Violation

On August 17, 2017, Englander served Newell, the California Attorney General, and all other requisite public enforcers with a 60-Day Notice of Violation (“Notice”). The Notice alleges that Newell violated Proposition 65 by failing to warn its customers

and consumers in California of the health risks associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Newell denies the material, factual, and legal allegations in the Notice, and maintains that all the products that it has manufactured, imported, sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Newell, its officers, directors, employees, or parents, subsidiaries or affiliated corporations, or any person acting for Newell, or any direct or indirect customer of Newell who sold or sells the Products, of any allegation, fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Newell its officers, directors, employees, or parents, subsidiaries or affiliated corporations, or any person acting for Defendant, or any direct or indirect customer of Defendant who sold or sells the Products, of any allegation, fact, finding, conclusion, issue of law, or violation of law, all of which are specifically denied by Newell. This Section shall not, however, diminish or otherwise affect Newell's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean August 17, 2018.

## **2. INJUNCTIVE RELIEF: REFORMULATION & WARNINGS**

### **2.1 Commitment to Provide Reformulated Products or Warnings**

Commencing on the Effective Date and continuing thereafter, Newell shall only manufacture for sale, purchase for sale, or import for sale in California, Products that are either (a) Reformulated Products as defined by Section 2.2; or (b) offered with a clear and reasonable warning pursuant to Section 2.3, below.

## 2.2 Reformulated Products Defined

For the purposes of this Settlement Agreement, “Reformulated Products” are defined as Products that contain DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by state or federal agencies to determine DEHP content in a solid substance.

## 2.3 Clear and Reasonable Warnings

Commencing on the Effective Date and continuing thereafter, for any Products sold or distributed for sale in California by Newell that are not Reformulated Products, Newell will only offer such Products with a clear and reasonable warning in accordance with this Section and/or Title 27 California Code of Regulations section 25600, et seq., as amended from time to time. Newell further agrees that any warning used will be prominently placed in relation to the Products with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a warning satisfying the above criteria that is transmitted in accordance with the above criteria, and contains the following statement, shall be deemed clear:

**WARNING:** This product can expose you to chemicals including DEHP, which is known to the State of California to cause birth defects or other reproductive harm.

If Newell sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to

or immediately following the display, description, price, or checkout listing of the Product, provided the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payments**

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice and referred to in this Settlement Agreement, Newell agrees to pay \$2,500 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by Englander.
