

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered into by and between Anthony E. Held, Ph.D. (“Held”) and Boyt Harness Company, L.L.C. (“Boyt”), with Held and Boyt each individually referred to as a “Party” and collectively as the “Parties.” Held is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Boyt employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 *et seq.* (“Proposition 65”).

### 1.2 General Allegations

Held alleges that Boyt manufactured, imported, distributed, and/or sold in the State of California, hydration bladders with vinyl/PVC tubing that contain di(2-ethylhexyl) phthalate (“DEHP”). DEHP is listed under Proposition 65 as a chemical known to the State of California to cause birth defects or other reproductive harm. Held alleges that Boyt failed to provide consumers and other individuals exposed to DEHP from the hydration bladders with vinyl/PVC tubing it sold in California with a clear and reasonable health hazard warning regarding the reproductive toxicity of DEHP, as required by Proposition 65.

### 1.3 Product Description

For purposes of this Settlement Agreement “Products” are defined as hydration bladders with vinyl/PVC tubing containing DEHP that are manufactured, sold, or distributed for sale in California by Boyt including, but not limited to, the *Max-Ops Tactical Gear Hydration Bladder, MOHYD-62225, UPC #0 51057 62225 7*.

#### **1.4 Notice of Violation**

On June 29, 2017, Held served Boyt, the California Attorney General, and all other requisite public enforcers with a document titled, “60-Day Notice of Violation” (“Notice”), alleging that Boyt violated Proposition 65 by failing to provide DEHP exposure warnings for the Products to its customers and consumers in California. No public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

#### **1.5 No Admission**

Boyt denies the material, factual, and legal allegations in the Notice, and maintains that all of the products that it has manufactured, imported, stored, distributed, shipped, sold and/or offered for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Boyt of any allegation, fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Boyt of any allegation, fact, finding, conclusion, issue of law, or violation of law, such being specifically denied by Boyt. This Section shall not, however, diminish or otherwise affect Boyt’s obligations, responsibilities, and duties under this Settlement Agreement.

#### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term “Effective Date” shall mean October 23, 2017.

## **2. INJUNCTIVE RELIEF: REFORMULATION & WARNINGS**

Commencing on the Effective Date and continuing thereafter, Boyt shall only manufacture for sale, purchase for sale, or import for sale in California, Products that are either: (a) Reformulated Products as defined by Section 2.2, below; or (b) Products that are offered by Boyt with a clear and reasonable warning pursuant to Section 2.3.

## **2.2 Reformulation Standard**

For the purposes of this Settlement Agreement, “Reformulated Products” are defined as Products that contain DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining DEHP content in a solid substance.

## **2.3 Clear and Reasonable Warning**

Commencing on the Effective Date and continuing thereafter, for any Products offered for sale in California by Boyt that are not Reformulated Products, Boyt agrees to only offer such Products for sale with a clear and reasonable warning in accordance with this Section. Boyt further agrees that any warning used will be prominently placed in relation to the Product with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a clear and reasonable warning for the Products satisfying these criteria shall consist of a warning affixed directly to a Product or its accompanying labeling or packaging sold in California containing the following statement:

 **WARNING:** This product can expose you to chemicals including DEHP, which is known to the State of California to cause birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)
