

# SETTLEMENT AGREEMENT

## 1. INTRODUCTION

### 1.1 Parties

This Settlement Agreement is entered by Anthony E. Held, Ph.D., P.E. (“Held”) and, Neogen Corporation (“Neogen”), with Held and Neogen each individually referred to as a “Party” and collectively as the “Parties.” Held is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals, and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Neogen employs ten or more individuals and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health and Safety Code section 25249.5 et seq. (“Proposition 65”).

### 1.2 General Allegations

Held alleges that Neogen sells and distributes for sale in California, tools and/or other instruments with vinyl or plastic handgrips containing di(2-ethylhexyl) phthalate (“DEHP”), and that it does so without providing a Proposition 65 health hazard warning. DEHP is listed pursuant to Proposition 65 as a chemical known to cause birth defects or other reproductive harm.

### 1.3 Product Description

For purposes of this Settlement Agreement “Products” are defined as obstetrical tools with vinyl or plastic handgrips containing DEHP that are manufactured, sold, or distributed for sale in California by Neogen including, but not limited to, the *Producer’s Pride OB Handle*, #1019763, #3104-19, UPC #7 26087 83104 6 identified in Held’s Notice.

### 1.4 Notice of Violation

On October 24, 2017, Held served Neogen, the California Attorney General, and all other requisite public enforcers with a 60-Day Notice of Violation (“Notice”). The Notice alleges Neogen violated Proposition 65 by failing to warn its customers and

consumers in California of the health risks associated with exposures to DEHP from the Products. No public enforcer has commenced and is diligently prosecuting an action to enforce the violations alleged in the Notice.

### **1.5 No Admission**

Neogen denies the material, factual, and legal allegations in the Notice, and maintains that all the products that it has manufactured, imported, sold or distributed for sale in California, including the Products, have been, and are, in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Neogen of any allegation, fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Neogen of any allegation, fact, finding, conclusion, issue of law, or violation of law, all of which are specifically denied by Neogen. This Section shall not, however, diminish or otherwise affect Neogen's obligations, responsibilities, and duties under this Settlement Agreement.

### **1.6 Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean March 1, 2018.

## **2. INJUNCTIVE RELIEF**

### **2.1 Commitment to Provide Warnings or Reformulated Products**

Commencing on the Effective Date and continuing thereafter, Neogen agrees, promises and represents that it will no longer sell and/or distribute the Products for sale in California unless they are either (a) Reformulated Products as defined by Section 2.2; or (b) offered with a clear and reasonable warning pursuant to Section 2.3, below.

### **2.2 Reformulated Products Defined**

For the purposes of this Settlement Agreement, "Reformulated Products" are defined as Products containing no more than 1,000 parts per million DEHP content (0.1%) in any component analyzed pursuant to U.S. Environmental Protection Agency

testing methodologies 3580A and 8270C or equivalent methodologies used by state or federal agencies to determine DEHP content in a solid substance.

### **2.3 Clear and Reasonable Warnings**

Commencing on the Effective Date and continuing thereafter, in the event that any Products are sold or distributed for sale in California by Neogen, Neogen will only offer such Products with a clear and reasonable warning in accordance with this Section or Title 27 California Code of Regulations section 25600, et seq., as amended from time to time. Neogen further agrees that any warning used will be prominently placed in relation to the Products with such conspicuousness when compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions of purchase or use. For purposes of this Settlement Agreement, a warning satisfying the above criteria that is affixed directly to a Product or its accompanying labeling or packaging containing the following statement shall be deemed clear:

 **WARNING:** This product can expose you to chemicals, including DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to [ww.P65Warnings.ca.gov](http://ww.P65Warnings.ca.gov)

If Neogen sells Products via an internet website to customers located in California, the warning requirements of this section shall be satisfied if the foregoing warning appears either: (a) on the same web page on which a Product is displayed and/or described; (b) on the same page as the price for the Product; or (c) on one or more web pages displayed prior to purchase during the checkout process. Alternatively, a symbol consisting of a black exclamation point in a yellow or white equilateral triangle may appear adjacent to or immediately following the display, description, price, or checkout listing of the Product, provided the warning statement appears elsewhere on the same web page in a manner that clearly associates it with the product(s) to which the warning applies.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payments**

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice and referred to in this Settlement Agreement, within five days of the Effective Date Neogen agrees to pay \$2,000 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by Held. Neogen will deliver its payment in two checks payable to: (a) “OEHHA” in the amount of \$1,500; and (b) “Anthony E. Held, Client Trust Account” in the amount of \$500.
