

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 John Moore and Carson Optical, Inc.

This Settlement Agreement (Settlement Agreement) is entered into by and between John Moore (Moore) and Carson Optical, Inc. (Carson Optical) with Moore and Carson Optical collectively referred to as the “Parties.” Moore is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Carson Optical employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (Proposition 65).

1.2 General Allegations

Moore alleges that Carson Optical manufactures, imports, sells and/or distributes for sale in California, vinyl eyewear pouches that contain di(2-ethylhexyl)phthalate (DEHP), and that it does so without providing the health hazard warning that Moore alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are vinyl eyewear pouches containing DEHP including, but not limited to, the *Clip & Flip Clip-On, Flip-Up, Magnifying “Fly-Tying” Glasses with Protective Pouch, OD-12, UPC #7 50668 06674 5* that are manufactured, imported, distributed, sold and/or offered for sale by Carson Optical in the State of California, hereinafter the “Products.”

1.4 Notice of Violation

On or about May 31, 2018, Moore served Carson Optical, and certain requisite public

enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Carson Optical violated Proposition 65 when it failed to warn its customers and consumers in California that the Products expose users to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Carson Optical denies the material, factual and legal allegations contained in the Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Carson Optical of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Carson Optical of any fact, finding, conclusion, issue of law or violation of law. This Section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean November 30, 2018.

2. INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS

2.1 Reformulation Standards

"Reformulated Products" are Products whose accessible components contain DEHP in concentrations of less than 0.1 percent (1,000 parts per million) when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (CPSC) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency (EPA) methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.2 Injunctive Relief

As of the Effective Date, Carson Optical shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 above, or shall carry appropriate health hazard warnings per section 2.3, below.

2.3 Product Warnings

Commencing before the Effective Date, and finalizing no later than the Effective Date, Carson Optical shall provide clear and reasonable warnings for all Products as set forth in subsections 2.3(a) and (b) for all products in its possession, custody, or control, that do not qualify as Reformulated Products. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

(a) **Retail Store Sales.**

(i) **Product Labeling.** Carson Optical shall affix a warning to the packaging, labeling, or directly on each Product provided for sale in retail outlets in California that states:

⚠ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

-or-

⚠ WARNING: Cancer and Reproductive Harm –

(ii) **Point-of-Sale Warnings.** Alternatively, Carson Optical may provide warning signs in the form below to its customers in California with instructions to post the

warnings in close proximity to the point of display of the Products. Such instruction sent to Carson Optical's customers shall be sent by certified mail, return receipt requested.

⚠ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Where more than one Product is sold in proximity to other like items or to those that do not require a warning (*e.g.*, Reformulated Products as defined in Section 2.1), the following statement shall be used:¹

(b) Mail Order Catalog and Internet Sales. In the event that Carson Optical sells Products via mail order catalog and/or the internet, to customers located in California, after the Effective Date, that are not Reformulated Products, Carson Optical shall provide warnings for such Products sold via mail order catalog or the internet to California residents. Warnings given in the mail order catalog or on the internet shall identify the *specific* Product to which the warning applies as further specified in Sections 2.3(b)(i) and (ii).

¹For purposes of the Settlement Agreement, "sold in proximity" shall mean that the Product and another similar product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

3. MONETARY SETTLEMENT TERMS

3.1 Payments Pursuant to Health and Safety Code § 25249.7(b)(2)

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Carson Optical agrees to pay a total of \$2,400.00 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (“OEHHA”) and the remaining 25% of the penalty amount retained by Moore.

Carson Optical will deliver its payment on or before the Effective Date, in two checks for the following amounts made payable to: (a) “OEHHA” in the amount of \$1,800.00; and (b)

“John Moore, Client Trust Account” in the amount of \$600.00. Moore’s counsel shall be responsible for delivering OEHHA’s portion of the penalties paid under this Settlement Agreement.

3.2 Reimbursement of Attorneys’ Fees and Costs

The Parties acknowledge that Moore and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, Carson Optical expressed a desire to resolve Moore’s fees and costs. The Parties then negotiated a resolution of the compensation due to Moore and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, Carson Optical shall reimburse Moore and his counsel \$19,600.00. Carson Optical’s payment shall be delivered to the address in Section 3.3, on or before the Effective Date, in the form of a check payable to “The Chanler Group.” The reimbursement shall cover all fees and costs incurred by Moore investigating, bringing this matter to Carson Optical’s attention and negotiating a settlement of the matter.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710

4. CLAIMS COVERED AND RELEASED

4.1 Moore’s Release of Proposition 65 Claims

Moore acting on his own behalf, and *not* on behalf of the public, releases Carson Optical, its parents, subsidiaries, affiliated entities under common ownership, directors, officers, agents, employees, attorneys, insurers, accountants, predecessors, successors, and assigns, and each

entity to whom Carson Optical directly or indirectly distributes, ships, or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers, franchisees, cooperative members, and licensees, and their owners, directors, officers, agents, principals, employees, attorneys, insurers, accountants, predecessors, successors, and assigns (collectively, "Releasees"), from all claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to DEHP in the Products, as set forth in the Notice. Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP from the Products, as set forth in the Notice. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Carson Optical.

4.2 Moore's Individual Releases of Claims

Moore, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Moore of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by Carson Optical prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Carson Optical. Nothing in this Section affects Moore's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Carson Optical's Products.

4.3 Carson Optical's Release of Moore

Carson Optical, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Moore and his attorneys and

other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Moore and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

4.4 Mutual Release of Known and Unknown Claims

Moore, on behalf of himself and his agents, attorneys, representatives, successors, and assigns, in his respective individual capacity only and not in his representative capacity, and Carson Optical, each provide a general release of the other which shall be effective as a full and final accord and satisfaction, as a bar to all Claims of any nature, character or kind, known or unknown, suspected or unsuspected, arising out of alleged violations of Proposition 65 with respect to the Products as set forth in the Notice. Moore and Carson Optical each acknowledge that they are each familiar with Section 1542 of the California Civil Code, which provides as follows:

A general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known by him or her must have materially affected his or her settlement with the debtor.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such

repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Carson Optical shall provide written notice to Moore of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Carson Optical from any obligation to comply with any pertinent state or federal toxics control law.
