

## **SETTLEMENT AGREEMENT**

### **1. INTRODUCTION**

#### **1.1 John Moore and Stanley Black & Decker, Inc.**

This Settlement Agreement (Settlement Agreement) is entered into by and between John Moore (Moore) and Stanley Black & Decker, Inc. (Stanley) with Moore and Stanley collectively referred to as the “Parties.” Moore is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Stanley employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (Proposition 65).

#### **1.2 General Allegations**

Moore alleges that Stanley manufactures, imports, sells and/or distributes for sale in California, tool bags with vinyl/PVC components that contain di(2-ethylhexyl)phthalate (DEHP), and that it does so without providing the health hazard warning that Moore alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

#### **1.3 Product Description**

The products that are covered by this Settlement Agreement are tool bags with vinyl/PVC components containing DEHP including, but not limited to, the *Bostitch 14” Tool Bag, BTST514150, UPC #0 76174 73634 2* that are manufactured, imported, distributed, sold and/or offered for sale by Stanley in the State of California, hereinafter the “Products.”

#### **1.4 Notice of Violation**

On or about September 12, 2017, Moore served Stanley and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Stanley violated Proposition 65 when it failed to warn its customers and consumers in California that the Products

expose users to DEHP. Thereafter, on or about May 31, 2018, Moore served Stanley, Walmart Inc., Amazon.com, Inc. and certain requisite public enforcement agencies with a Supplemental 60-Day Notice of Violation (Supplemental Notice), alleging that Stanley violated Proposition 65 when it failed to warn its customers and consumers in California that the Products and the *Stanley Fatmax Tools Backpack, 1-95-611, 514190, UPC #3 253561 956119* (the Backpack) expose users to DEHP. Stanley represents that the Backpack was not intended for sale in the United States. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice or the Supplemental Notice.

### **1.5      No Admission**

Stanley denies the material, factual and legal allegations contained in the Notice and Supplemental Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Stanley of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Stanley of any fact, finding, conclusion, issue of law or violation of law. This section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

### **1.6      Effective Date**

For purposes of this Settlement Agreement, the term "Effective Date" shall mean October 1, 2018..

## **2.      INJUNCTIVE RELIEF: REFORMULATION OR WARNINGS**

### **2.1      Reformulation Standards**

The parties agree that tested levels of exemplar tool bags contain concentrations of up to 20% (200,000 ppm) DEHP. "Reformulated Products" are Products containing DEHP in concentrations of 2% or less (20,000 ppm) in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing

samples shall be prepared and extracted using Consumer Product Safety Commission (CPSC) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency (EPA) methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

## **2.2      Injunctive Relief**

Commencing 120 days from the Effective Date and continuing thereafter, Stanley shall only manufacture for sale, purchase for sale, or import for sale in California Products that are Reformulated Products as defined by Section 2.1, or Products that are labeled with a clear and reasonable warning as set forth under Sections 2.3 through 2.6. Stanley represents that it has commenced the process of complying with Section 2.2 of this agreement as of the Effective Date.

## **2.3      Clear and Reasonable Warnings**

Commencing on or before 120 days from the Effective Date, Stanley shall provide clear and reasonable warnings for all Products provided for sale to customers in California in accordance with this Section and/or Title 27 California Code of Regulations § 25600, *et seq.*, as amended from time to time. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use and shall be provided in a manner such that it is clearly associated with the specific Product to which the warning applies.

The warning shall consist of the following statement (Warning):

**WARNING:** Cancer and Reproductive Harm – [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

## **2.4      Product Warnings**

Stanley shall affix a warning to the Product label or otherwise directly on each Product or its packaging provided for sale in retail outlets in California or sold by Stanley via mail order catalog and/or the internet to customers located in California. For the purpose of this agreement,

“Product label” means a display of written, printed or graphic material that is printed on or affixed to a Product or its immediate container or wrapper. The entire warning shall appear in a type size of at least 6-point type and no smaller than the largest type size used for other consumer information on the product. The warning shall consist of the Warning described in subsection 2.3.

## **2.5 Mail Order Catalog Warnings**

In the event that, after the Effective Date, Stanley prints new catalogs and sells Products via mail order through such catalogs that are printed or controlled by Stanley to customers located in California, Stanley shall provide a warning for each Product both on the Product label in accordance with Section 2.4, and in the catalog in a manner that clearly associates the warning with the *specific* Product being purchased. Any warning provided in a mail order catalog shall be in the same type size or larger than other consumer information provided for the Product within the catalog and shall be provided on the same page and in the same location as the display and/or description of the Product. The catalog warning shall use the Warning content described in Section 2.3.

## **2.6 Internet Warnings**

If, after the Effective Date, Stanley sells Products via websites operated or controlled by Stanley to customers located in California, Stanley shall provide warnings for each Product both on the Product label in accordance with Section 2.4, and by prominently displaying the warning to the customer prior to completing the purchase or during the purchase of the Products without requiring customers to seek out the warning. Warnings given in conjunction with the sale of the Products via the internet shall appear either: (a) on the same web page on which the Product is displayed; (b) on the same web page as the order form for the Product; or (c) on one or more web pages displayed to a purchaser during the checkout process. The warning shall appear in any of the above instances adjacent to or immediately following the display or description of the Product for which it is given in the same type size or larger than the Product description text. The internet warning shall use the Warning content described in Section 2.3. Stanley may also

comply with this Section by providing the warning using a clearly marked hyperlink that includes the word “**WARNING**” on the same web page and in the same location as the display and/or description of the Product.

### **3. MONETARY SETTLEMENT TERMS**

#### **3.1 Civil Penalty Payments**

Pursuant to Health and Safety Code § 25249.7(b), and in settlement of all claims alleged in the Notice and the Supplemental Notice or referred to in this Settlement Agreement, Stanley agrees to pay a total of \$4,800 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code § 25249.12(c)(1) and (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (OEHHA) and the remaining 25% of the penalty amount retained by Moore.

Stanley will deliver its payment to The Chanler Group on or before 30 days from the Effective Date, in two checks made payable to: (a) “OEHHA” in the amount of \$3,600; and (b) “John Moore” in the amount of \$1,200. Moore’s counsel shall be responsible for delivering OEHHA’s portion of the penalties paid under this Settlement Agreement.

#### **3.2 Reimbursement of Attorneys’ Fees and Costs**

The Parties acknowledge that Moore and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, Stanley expressed a desire to resolve Moore’s fees and costs. The Parties then negotiated a resolution of the compensation due to Moore and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, Stanley shall reimburse Moore and his counsel \$18,700. Stanley’s payment shall be delivered to the address in Section 3.3, on or before 30 days from the Effective Date, in the form of a check payable to “The Chanler Group.” The reimbursement

shall cover all fees and costs incurred by Moore investigating, bringing this matter to Stanley's attention and negotiating a settlement of the matter.

### **3.3 Payment Address**

All payments required by this Settlement Agreement shall be delivered to the following address:

The Chanler Group  
Attn: Proposition 65 Controller  
2560 Ninth Street  
Parker Plaza, Suite 214  
Berkeley, CA 94710

## **4. CLAIMS COVERED AND RELEASED**

### **4.1 Moore's Release of Stanley**

This Settlement Agreement is a full, final and binding resolution between Moore, as an individual and *not* on behalf of the public, and Stanley, of any violation of Proposition 65 that was or could have been asserted by Moore on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, against Stanley, its parents, subsidiaries, affiliated entities under common ownership, licensees and licensors, directors, officers, employees, attorneys, and each entity to whom Stanley directly or indirectly distributes or sells Products, including, but not limited, to downstream distributors, wholesalers, customers, retailers (included but not limited to Walmart Inc.), franchisees, cooperative members, and licensees (collectively, Releasees), based on their failure to warn about alleged exposures to DEHP contained in the Products and the Backpack that were manufactured, distributed, sold and/or offered for sale by Stanley in California before the Effective Date, as alleged in the Notice and the Supplemental Notice.

In further consideration of the promises and agreements herein contained, Moore as an individual and *not* on behalf of the public, on behalf of himself, his past and current agents, representatives, attorneys, successors, and/or assignees, hereby waives all of Moore's rights to institute or participate in, directly or indirectly, any form of legal action and releases all claims

that Moore may have, including, without limitation, all actions, and causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines, penalties, losses, or expenses including, but not exclusively, investigation fees, expert fees, and attorneys' fees arising under Proposition 65 with respect to DEHP in the Products and the Backpack, as alleged in the Notice and the Supplemental Notice, manufactured, distributed, sold and/or offered for sale by Stanley, before the Effective Date (collectively, Claims), against Stanley and Releasees. The Parties acknowledge that Stanley will report in January, 2019, by 1099 Form, the payments to John Moore and The Chanler Group.

The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products, the Backpack or any component parts thereof, or any distributors or suppliers who sold the Products, the Backpack or any component parts thereof to Stanley. Nothing in this Section affects Moore's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Stanley's Products or the Backpack.

#### **4.2      Stanley's Release of Moore**

Stanley, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Moore and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Moore and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

#### **5.      SEVERABILITY**

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

## **6. GOVERNING LAW**

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Stanley shall provide written notice to Moore of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Stanley from any obligation to comply with any pertinent state or federal toxics control law.

## **7. NOTICE**

Unless specified herein, all correspondence and notices required to be provided pursuant to this Settlement Agreement shall be in writing and: (i) personally delivered; (ii) sent by first-class (registered or certified mail) return receipt requested; or (iii) sent by overnight courier, to one party by the other party at the following addresses:
