15 1-150,

16 Defendants.

Case No. CIV 1300478

**CONSENT TO JUDGMENT AS TO  
DEFENDANT APEX MEDICAL  
CORPORATION**

1 **1. INTRODUCTION**

2 **1.1 The Parties**

3 This Consent To Judgment is entered into by and between Plaintiff Laurence Vinocur,  
4 (“Vinocur” or “Plaintiff”) and Defendant Apex Medical Corporation (“Apex”) with Vinocur and  
5 Apex collectively referred to as the “Parties.”

6 **1.2 Plaintiff**

7 Vinocur is an individual residing in the State of California who seeks to promote  
8 awareness of exposure to toxic chemicals and improve human health by reducing or eliminating  
9 hazardous substances contained in consumer products.

10 **1.3 Defendant**

11 Apex employs 10 or more persons and is a person in the course of doing business for  
12 purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health &  
13 Safety Code §§ 25249.6 *et seq.* (“Proposition 65”).

14 **1.4 General Allegations**

15 Vinocur alleges that Apex manufactured, distributed and/or sold, in the State of  
16 California, certain types of vinyl/PVC pill wallets/containers and medication organizers made  
17 with materials containing DEHP, including the Apex 14-Day Pill Wallet (Item 70095) that  
18 exposed users to DEHP, without first providing any “clear and reasonable warning” under  
19 Proposition 65. DEHP is listed as a reproductive and developmental toxicant pursuant to  
20 Proposition 65.

21 Vinocur further alleges that Apex manufactured, imported, sold and/or distributed for  
22 sale in California, pillow products made with foam cushion components containing tris(1,3-  
23 dichloro-2-propyl) phosphate (“TDCPP”), including, but not limited to, the Cozy Buddy Neck  
24 Pillow, that exposed users to TDCPP without first providing any “clear and reasonable warning”  
25 under Proposition 65. TDCPP is listed as a carcinogen pursuant to Proposition 65.

1           **1.5 Notices of Violation**

2           On November 21, 2012, Vinocur served Defendant and various public enforcement  
3 agencies with a document entitled “60-Day Notice of Violation” (“Notice”) that provided public  
4 enforcers and these entities with notice of alleged violations of Health & Safety Code § 25249.6  
5 for failing to warn consumers of the presence of DEHP, a toxic chemical found in and on  
6 Defendant’s medication organizer products sold in California. To the best of the Parties’  
7 knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set  
8 forth in the Notice.

9           On August 16, 2013, Vinocur served Defendant and various public enforcement agencies  
10 with a document entitled “Supplemental 60-Day Notice of Violation” (“Supplemental Notice”)  
11 that provided public enforcers and these entities with notice of alleged violations of Health &  
12 Safety Code § 25249.6 for failing to warn consumers of the presence of TDCPP, a toxic chemical  
13 found in and on Defendant’s foam cushioned pillow products sold in California. To the best of  
14 the Parties’ knowledge, no public enforcer has commenced and is diligently prosecuting the  
15 allegations set forth in the Supplemental Notice.

16           **1.6 Complaint**

17           On February 1, 2013, Vinocur, acting, in the interest of the general public in California,  
18 filed a Complaint in the Superior Court of the State of California for the County of San Francisco,  
19 alleging violations by Defendant of Health & Safety Code § 25249.6 based, *inter alia*, on the  
20 alleged exposures to DEHP contained in the referenced medication organizer products (the  
21 “Action”).

22           As part of, and upon execution of, this Consent To Judgment, the parties stipulate and  
23 agree that Vinocur shall lodge, as an exhibit to his motion to approve this settlement, a First  
24 Amended Complaint to include the parties, recitals, and allegations against Apex in conformity  
25 with the Notice and Supplemental Notice served by Vinocur upon Apex (“FAC”). As part of  
26 Vinocur’s motion to approve this settlement and enter judgment, Vinocur shall also move this  
27

1 Court for an order either deeming the FAC filed as of the date of the hearing on the motion to  
2 approve or an order permitting Vinocur to immediately file the FAC with the Court.

3 Apex stipulates to such filing of the FAC as part of Vinocur's motion to approve the  
4 settlement and agrees to waive any service of the FAC other than such service of the FAC as an  
5 exhibit to the motion to approve this settlement sent by mail to Apex's counsel of record. The  
6 parties hereby stipulate that Apex's answer to the Complaint already on file in this action shall  
7 be deemed to be its answer to the FAC, stipulate that the FAC shall be deemed at issue as to  
8 Apex upon issuance of the order of the Court either deeming the FAC filed or permitting its  
9 immediate filing, and stipulate that this Court may and shall immediately enter judgment on the  
10 FAC, as against Apex, but only pursuant to these stipulations and after approval of this Consent  
11 To Judgment.

12 **1.7 No Admission**

13 This Consent To Judgment resolves claims that are denied and disputed by Apex. The  
14 Parties enter into this Consent To Judgment pursuant to a full and final settlement of any and all  
15 claims between the Parties for the purpose of avoiding prolonged litigation. Defendant denies  
16 the material factual and legal allegations contained in the Notice, Supplemental Notice, and  
17 Action, maintains that it did not knowingly or intentionally expose California consumers to  
18 DEHP or TDCPP through the reasonably foreseeable use of the Covered Products and otherwise  
19 contends that all Covered Products it has manufactured, distributed and/or sold in California  
20 have been and are in compliance with all applicable laws. Nothing in this Consent To Judgment  
21 shall be construed as an admission by Defendant of any fact, finding, issue of law, or violation of  
22 law; nor shall compliance with this Consent To Judgment constitute or be construed as an  
23 admission by the Defendant of any fact, finding, conclusion, issue of law, or violation of law,  
24 such being specifically denied by Defendant. However, notwithstanding the foregoing, this  
25 section shall not diminish or otherwise affect Apex's obligations, responsibilities, and duties  
26 under this Consent To Judgment.

1           **1.8     Consent to Jurisdiction**

2           For purposes of this Consent To Judgment only, the Parties stipulate that this Court has  
3 jurisdiction over Apex as to the allegations contained in the Complaint, that venue is proper in  
4 the County in which the Complaint is filed, and that this Court has jurisdiction to enter and  
5 enforce the provisions of this Consent Judgment. As an express part of this Consent To  
6 Judgment, pursuant to C.C.P. §664.6 the Court in which this action was filed shall retain  
7 jurisdiction over the parties to enforce the settlement until performance in full of the terms of the  
8 settlement.

9           **2.     DEFINITIONS**

10           2.1     The term “Complaint” shall mean the FAC.

11           2.2     The term “DEHP Covered Products” means the medication wallet made of vinyl  
12 or PVC faux leather materials, known as the 14 Day Pill Wallet (Item 70095). The term “TDCPP  
13 Covered Products” means any and all small, non-furniture foam-containing neck, back, bottom  
14 and other support pillows.

15           2.3     The term “Effective Date” shall mean August 1, 2014.

16           2.4     The term “DEHP Free” DEHP Covered Products shall mean DEHP Covered  
17 Products containing materials or other components that may be handled, touched or mouthed  
18 by a consumer, and which components contain less than or equal to 1,000 parts per million  
19 (“ppm”) of DEHP when analyzed by a NVLAP accredited United States laboratory pursuant to  
20 U.S. Environmental Protection Agency testing methodologies 3580A and 8270C or any other  
21 methodology utilized by federal or state agencies for the purpose of determining the DEHP  
22 content in a consumer product.

23           2.5     The term “TDCPP Free” TDCPP Covered Products shall mean products  
24 containing no more than 200 parts per million (“ppm”) (the equivalent of .002%) of TDCPP in  
25 any material, component, or constituent of a subject product, when analyzed by a United States  
26 accredited laboratory pursuant to EPA testing methodologies 3545 and 8270C, or equivalent  
27 methodologies utilized by federal or state agencies to determine the presence, and measure the

1 quantity, of TDCPP in consumer products. This reformulation level for the neck pillow or other  
2 small, intermittent use, foam-containing products is specific to these TDCPP Covered Products  
3 *only* and is not intended to nor shall in any way be construed an appropriate reformulation level  
4 for any other type of foam-containing product.

5 **3. INJUNCTIVE RELIEF**

6 **3.1 Formulation Commitment**

7 **3.1.1 DEHP Covered Products.**

8 Apex represents that (other than inventory which already is in the stream of commerce, if  
9 any) it does not currently sell the 14-Day Pill Wallet product, Item 70095 (the DEHP Covered  
10 Product). Apex has approximately 20,000 units of the 14-Day Pill Wallet product in its  
11 possession. Apex has placed warnings on this inventory of products. Notwithstanding any such  
12 warnings, no later than August 1, 2014, Apex shall destroy, in a manner compliant with any  
13 environmental or other waste disposal regulations, all DEHP Covered Products in its possession,  
14 custody or control, that are not laboratory test confirmed to be DEHP Free. If Apex sells any  
15 DEHP Covered Products in the future, Apex agrees to first have a representative sampling of  
16 each type of the production DEHP Covered Products tested for their DEHP concentration. Such  
17 testing shall be performed by a United States accredited laboratory pursuant to EPA testing  
18 methodologies 3545 and 8270C, or equivalent methodologies utilized by federal or state agencies  
19 to determine the presence, and measure the quantity, of DEHP in a solid substance.

20 If Apex determines to sell a DEHP Covered Product in California in the future, Apex  
21 shall evaluate whether such DEHP Covered Product exceeds the DEHP Free Standards, and for  
22 those that exceed such standards, shall either reformulate such DEHP Covered Product to meet  
23 the DEHP Free Standard or provide a clear and reasonable warning for each such DEHP  
24 Covered Product. Apex further agrees not to order, cause to be ordered, manufacture, cause to  
25 be manufactured, sell or otherwise distribute, or cause to be sold or distributed in California, any  
26 DEHP Covered Products that are not DEHP Free without warnings consistent with the  
27 provisions described herein.

1 For every DEHP Covered Product ordered, caused to be ordered, manufactured or  
2 caused to be manufactured for distribution to or sale in California after June 1, 2014, Apex shall  
3 maintain copies of any testing that demonstrates compliance with this section.

4 **3.1.2 TDCPP Covered Products**

5 Apex represents that its distribution of the Cozy Buddy Neck Support Pillow (SKU 6  
6 32615 02310 7) arose out of a single purpose acquisition of this item for retailer Big Lots. Apex  
7 represents that it currently has no more inventory of this Cozy Buddy product in its possession,  
8 custody or control and has no current intention to acquire any further inventory of that product  
9 for distribution in California.

10 If Apex sells any TDCPP Covered Products in the future, Apex agrees to first have a  
11 representative sampling of each of the polyurethane foam components of each type of TDCPP  
12 Covered Product tested for its TDCPP concentration. Such testing shall be performed by a  
13 United States accredited laboratory pursuant to EPA testing methodologies 3545 and 8270C, or  
14 equivalent methodologies utilized by federal or state agencies to determine the presence, and  
15 measure the quantity, of TDCPP in a consumer product.

16 If Apex determines to sell a TDCPP Covered Product in California in the future, Apex  
17 shall evaluate whether such TDCPP Covered Product exceeds the TDCPP Free Standards, and  
18 for those that exceed such standards, shall either reformulate the TDCPP Covered Product to  
19 meet the TDCPP Free Standard or provide a clear and reasonable warning for that TDCPP  
20 Covered Product. Any TDCPP Covered Product that does not meet the TDCPP Free Standard  
21 shall only be sold into California or to a retailer Apex reasonably understands has California  
22 retail outlets (at which the TDCPP Covered Product(s) will be sold) with a clear and reasonable  
23 warning as identified in Section 3.3. Should Apex elect to reformulate a TDCPP Covered  
24 Product, then Apex shall provide the TDCPP Free Standard to its then-current vendor(s) of  
25 TDCPP Covered Products that will be sold or offered for sale to California consumers and shall  
26 instruct each vendor to only provide Apex with products that comply with such TDCPP Free  
27

1 Standard. Upon request, Defendant shall provide Plaintiff with copies of each such Vendor  
2 notification and Plaintiff shall regard such copies as confidential business information.

3 For every TDCPP Covered Product ordered, caused to be ordered, manufactured or  
4 caused to be manufactured for distribution to or sale in California after June 1, 2014, Apex shall  
5 maintain copies of any testing of such products demonstrating compliance with this section.

### 6 **3.2 Previously Obtained Covered Products.**

7 As Apex has agreed to destroy its current inventory of DEHP Covered Products (e.g., the  
8 Pill Wallets), and has represented that it does not sell or otherwise distribute any other DEHP  
9 Covered Product, then it shall have no warning obligation as to any such previously obtained  
10 DEHP Covered Products.

### 11 **3.3 Product Warnings**

#### 12 **3.3.1 TDCPP Covered Product Warnings**

13 For any election by Apex to label any future acquired TDCPP Covered Product with a  
14 clear and reasonable warning, each such warning shall be prominently placed with such  
15 conspicuousness as compared with other words, statements, designs, or devices as to render it  
16 likely to be read and understood by an ordinary individual under customary conditions of  
17 purchase or use. Each warning shall be affixed to or printed on the TDCPP Covered Product  
18 itself.

#### 19 (a) **Product Distributed To Retail Sellers.**

20 For distribution of any TDCPP Covered Products that are not certified to be  
21 TDCPP Free under Section 2.5, Apex shall affix a warning to the packaging, labeling, or directly  
22 on such TDCPP Covered Products that states:

23  
24 **WARNING:** This product contains TDCPP, a  
25 chemical known to the State of California to cause  
cancer.

26 (b) **Mail Order Catalog and Internet Sales.** Apex may satisfy its Proposition  
27 65 warning obligations for TDCPP Covered Products that are not certified to be TDCPP Free and

1 are sold or otherwise marketed by a printed catalogue or through an electronic internet source  
2 by providing a warning: (1) in the printed catalogue as specified in Section 3.3.1(b)(i); on the  
3 website as specified in Section 3.3.1(b)(ii); and by affixing the warning specified in Section  
4 3.3.1(a)(i) to the packaging, labeling, or directly on any TDCPP Covered Product.

5 (i) **Printed Catalog Warning.** Any warning provided in a printed  
6 catalog issued, designed, produced, ordered or otherwise controlled by Apex must be in the  
7 same type size or larger than the TDCPP Covered Product description text within the catalog.  
8 The following warning shall be provided on the same page and in the same location as the  
9 display and/or description of the TDCPP Covered Product:

10 **WARNING:** This product contains TDCPP, a  
11 chemical known to the State of California to cause  
12 cancer.

13 Where it is impracticable to provide the warning on the same page and in the same  
14 location as the display and/or description of the TDCPP Covered Product, Apex may utilize a  
15 designated symbol to cross-reference the applicable warning and shall define the term  
16 “designated symbol” with the following language on the inside of the front or back cover of the  
17 catalog or on the same page as any order form for the TDCPP Covered Product:

18 **WARNING:** Certain products identified with this  
19 symbol ▼ and offered for sale in this catalog  
20 contain TDCPP, a chemical known to the State of  
California to cause cancer.

21 The designated symbol must appear on the same page and in close proximity to the  
22 display and/or description of the TDCPP Covered Product. On each page where the designated  
23 symbol appears, Apex must provide a header or footer directing the consumer to the appropriate  
24 warning language and definition of the designated symbol.

25 If Apex elects to provide warnings in any printed catalog, then the warnings must be  
26 included in all catalogs offering to sell one or more TDCPP Covered Product printed after  
27 October 1, 2014.

1 (ii) **Internet Website Warning.** A warning may be given in  
2 conjunction with the marketing or sale by Apex of any TDCPP Covered Product via any website  
3 or internet sales site maintained, controlled or designed by Apex, provided it appears either: (a)  
4 on the same web page on which a TDCPP Covered Product is displayed; (b) on the same web  
5 page as the order form for a TDCPP Covered Product; (c) on the same page as the price for any  
6 TDCPP Covered Product; or (d) on one or more web pages displayed to a purchaser during the  
7 checkout process. The following warning statement shall be used and shall appear in any of the  
8 above instances adjacent to or immediately following the display, description, or price of the  
9 TDCPP Covered Product for which it is given in the same type size or larger than the TDCPP  
10 Covered Product description text:

11 **WARNING:** This product contains TDCPP, a  
12 chemical known to the State of California to cause  
13 cancer.

16 given, provided that the following warning statement also appears elsewhere on the same web  
17 page, as follows:

18 **WARNING:** Products identified on this page  
19 with the following symbol ▼ contain TDCPP, a  
20 chemical known to the State of California to cause  
21 cancer.

### 22 **3.3.2 DEHP Covered Product Warnings**

23 For any election by Apex to label any future acquired DEHP Covered Product with a  
24 clear and reasonable warning, each such warning shall be prominently placed with such  
25 conspicuousness as compared with other words, statements, designs, or devices as to render it  
26 likely to be read and understood by an ordinary individual under customary conditions of  
27 purchase or use. Each warning shall be affixed to or printed on the DEHP Covered Product  
28 itself.

(a) **Product Distributed To Retail Sellers.**

1 For distribution of any DEHP Covered Products that are not certified to be DEHP  
2 Free under Section 2.4, Apex shall affix a warning to the packaging, labeling, or directly on such  
3 DEHP Covered Products that states:

4  
5 **WARNING:** This product contains DEHP, a  
6 chemical known to the State of California to cause  
cancer, birth defects and other reproductive harm.

7 (b) **Mail Order Catalog and Internet Sales.** Apex may satisfy its Proposition  
8 65 warning obligations for DEHP Covered Products that are not certified to be DEHP Free and  
9 are sold or otherwise marketed by a printed catalogue or through an electronic internet source  
10 by providing a warning: (1) in the printed catalogue as specified in Section 3.3.2(b)(i); on the  
11 website as specified in Section 3.3.2(b)(ii); and by affixing the warning specified in Section  
12 3.2.2(a)(i) to the packaging, labeling, or directly on any DEHP Covered Product.

13 (i) **Printed Catalog Warning.** Any warning provided in a printed  
14 catalog issued, designed, produced, ordered or otherwise controlled by Apex must be in the  
15 same type size or larger than the DEHP Covered Product description text within the catalog.  
16 The following warning shall be provided on the same page and in the same location as the

cancer, birth defects and other reproductive harm.

20 Where it is impracticable to provide the warning on the same page and in the same  
21 location as the display and/or description of the DEHPP Covered Product, Apex may utilize a  
22 designated symbol to cross-reference the applicable warning and shall define the term  
23 "designated symbol" with the following language on the inside of the front or back cover of the  
24 catalog or on the same page as any order form for the DEHP Covered Product:

25  
26 **WARNING:** Certain products identified with this  
27 symbol ▼ and offered for sale in this catalog  
28 contain DEHP, a chemical known to the State of

1 California to cause cancer, birth defects and other

10 (ii) **Internet Website Warning.** A warning may be given in  
11 conjunction with the marketing or sale by Apex of any DEHP Covered Product via any website

4 **4. PENALTIES PURSUANT TO HEALTH & SAFETY CODE § 25249.7(B)**

5 In settlement of all the claims referred to in this Consent To Judgment, and specifically  
6 based upon Apex's representations and commitments under this Agreement, Apex shall pay a  
7 total civil penalty of \$30,000.00 under this Section, as follows:

8 **4.1 Initial Civil Penalty**

9 Apex shall pay an initial civil penalty in the amount of \$10,000.00 no later than fifteen (15)

26 such product to be TDCPP Free. Vinocur must receive any such certification on or before this  
27 deadline and time is of the essence. Any applicable final civil penalty shall be apportioned in

1 accordance with California Health & Safety Code § 25249.12 (c)(1) & (d), with 75% of these funds

1 With a copy of the checks payable to OEHHA mailed to The Chanler  
2 Group at the address set forth above in 4.3.1(a), as proof of payment to  
3 OEHHA.

4 Any failure by defendant to deliver the above-referenced payments to either OEHHA or  
5 The Chanler Group within two days of the required date shall result in imposition of a 10%  
6 simple interest assessment on the undelivered payment(s) until delivery.

7 **4.3.2 Issuance of 1099 Forms.**

8 After any penalty payment, Apex shall issue separate 1099 forms for each  
9 payment to Vinocur, whose address and tax identification number shall be furnished upon  
10 request after this Consent Judgment has been fully executed by the Parties, and OEHHA at the  
11 addresses listed in Section 4.3.1 above.

12 **5. REIMBURSEMENT OF FEES AND COSTS**

13 The parties acknowledge that Vinocur and his counsel offered to resolve this dispute  
14 without reaching terms on the amount of fees and costs to be reimbursed to them, thereby  
15 leaving this fee issue to be resolved after the material terms of the agreement had been settled.  
16 Vinocur then expressed a desire to resolve the fee and cost issue shortly after the other  
17 settlement terms had been finalized. The parties then attempted to (and did) reach an accord on  
18 the compensation due to Vinocur and his counsel under general contract principles and the  
19 private attorney general doctrine codified at California Code of Civil Procedure (CCP) § 1021.5,  
20 for all work performed through the mutual execution of this Consent To Judgment. Apex shall  
21 pay \$50,000.00 for fees and costs incurred as a result of investigating, bringing this matter to  
22 Apex's attention, and negotiating a settlement in the public interest. Apex shall issue a separate  
23 1099 for fees and costs (EIN: 94-3171522), shall make the check payable to "The Chanler Group"  
24 and shall deliver payment no later than ten (10) days after the date the Court approves this  
25 settlement, to the following address:

26 The Chanler Group  
27 Attn: Proposition 65 Controller  
28 2560 Ninth Street

1 Parker Plaza, Suite 214  
Berkeley, CA 94710-2565

2 Any failure by defendant to deliver the above-referenced payments to The Chanler  
3 Group within two days of the required date shall result in imposition of a 10% simple interest  
4 assessment on the undelivered payment(s) until delivery.

6 **6. CLAIMS COVERED AND RELEASE**

7 **6.1 Vinocur's Releases of Apex**

8 **6.1.1** This Consent To Judgment is a full, final, and binding resolution between  
9 Vinocur, on behalf of himself, his past and current agents, representatives, attorneys, successors,  
10 and/or assignees, and in the interest of the general public, and Apex and its attorneys, affiliates,  
11 successors, licensors and assigns, including, but not limited to, Carex Health Brands ("Defendant  
12 Releasees"), and all entities to whom Apex directly or indirectly distributes or sells Covered  
13 Products, including but not limited to distributors, wholesalers, customers, retailers, franchisees,  
14 cooperative members, and licensees ("Downstream Defendant Releasees") of any violation of  
15 Proposition 65 that has been or could have been asserted against Defendant Releasees and  
16 Downstream Defendant Releasees regarding the alleged failure to warn about alleged exposure  
17 to TDCPP and DEHP arising in connection with TDCPP Covered Products and DEHP Covered  
18 Products manufactured, sourced, distributed, or sold by Defendant Releasees prior to the  
19 Effective Date.

20 **6.1.2** Apex's compliance with this Consent To Judgment shall constitute  
21 compliance with Proposition 65 with respect to TDCPP in the TDCPP Covered Products and  
22 DEHP in the DEHP Covered Products after the Effective Date.

23 **6.1.3** Vinocur on behalf of himself, his past and current agents, representatives,  
24 attorneys, successors, and/or assignees, and in the interest of the general public, hereby waives  
25 with respect to Covered Products all rights to institute or participate in, directly or indirectly,  
26 any form of legal action and releases all claims, including, without limitation, all actions, and  
27 causes of action, in law or in equity, suits, liabilities, demands, obligations, damages, costs, fines,  
28

1 penalties, losses, or expenses (including, but not limited to, investigation fees, expert fees, and  
2 attorneys' fees) of any nature whatsoever, whether known or unknown, fixed or contingent  
3 (collectively "claims"), against Defendant Releasees and Downstream Defendant Releasees that  
4 arise under Proposition 65 or any other statutory or common law claims that were or could have  
5 been asserted in the public interest, as such claims relate to Defendant Releasees' and  
6 Downstream Defendant Releasees' alleged failure to warn about exposures to DEHP contained  
7 in the DEHP Covered Products and exposures to TDCPP contained in the TDCPP Covered  
8 Products.

9           **6.1.4** Vinocur also, in his individual capacity only and *not* in his representative  
10 capacity, provides a general release herein which shall be effective as a full and final accord and  
11 satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees,  
12 damages, losses, claims, liabilities and demands of Vinocur of any nature, character or kind,  
13 known or unknown, suspected or unsuspected, arising out of the subject matter of the  
14 Complaint as to TDCPP Covered Products and DEHP Covered Products manufactured,  
15 distributed or sold by Defendant Releasees. Vinocur acknowledges that he is familiar with  
16 Section 1542 of the California Civil Code, which provides as follows:

17           A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE  
18           CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR  
19           AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM  
20           OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT  
21           WITH THE DEBTOR.

22           Vinocur, in his individual capacity only and *not* in his representative capacity, expressly  
23 waives and relinquishes any and all rights and benefits which he may have under, or which may  
24 be conferred on him by the provisions of Section 1542 of the California Civil Code as well as  
25 under any other state or federal statute or common law principle of similar effect, to the fullest  
26 extent that he may lawfully waive such rights or benefits pertaining to the released matters. In  
27 furtherance of such intention, the release hereby given shall be and remain in effect as a full and  
28 complete release notwithstanding the discovery or existence of any such additional or different  
claims or facts arising out of the released matters.

1 This Section 6.1 release is expressly limited to those claims that arise under Proposition  
2 65, as such claims relate to Defendant's alleged failure to warn about exposures to or  
3 identification of TDCPP contained in the TDCPP Covered Products and DEHP contained in the  
4 DEHP Covered Products and as such claims are identified in the Proposition 65 60-Day Notice  
5 and Supplemental Proposition 65 60-Day Notice to Defendant.

6 This Section 6.1 release is expressly limited to any alleged violations that occur prior to  
7 six months after the Effective Date and does not release any person, party or entity from any  
8 liability for any violation of Proposition 65 regarding the Covered Products that occur more than  
9 six months after the Effective Date.

10 The Parties further understand and agree that this Section 6.1 release shall not extend  
11 upstream to any entities, other than Defendant, that manufactured the DEHP Covered Products  
12 or TDCPP Covered Products or any component parts thereof, or any distributors or suppliers  
13 who sold such Covered Products or any component parts thereof to Defendant.

14 **6.1.5** Upon court approval of the Consent To Judgment, the Parties waive their  
15 respective rights to a hearing or trial on the allegations of the Complaint.

16 **6.2 Apex's Release of Vinocur**

17 **6.2.1** Apex waives any and all claims against Vinocur, his attorneys, and other  
18 representatives for any and all actions taken or statements made (or those that could have been  
19 taken or made) by Vinocur and his attorneys and other representatives, whether in the course of  
20 investigating claims or otherwise seeking enforcement of Proposition 65 against it in this matter,  
21 and/or with respect to the TDCPP Covered Products and DEHP Covered Products.

22 **6.2.2** Apex also provides a general release herein which shall be effective as a  
23 full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs,  
24 expenses, attorneys' fees, damages, losses, claims, liabilities and demands of Apex of any nature,  
25 character or kind, known or unknown, suspected or unsuspected, arising out of the subject  
26 matter of the Action. Apex acknowledges that it is familiar with Section 1542 of the California  
27 Civil Code, which provides as follows:

1 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE  
2 CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR  
3 AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM  
4 OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT  
5 WITH THE DEBTOR.

6 Apex expressly waives and relinquishes any and all rights and benefits that it  
7 may have under, or which may be conferred on it by the provisions of Section 1542 of the  
8 California Civil Code as well as under any other state or federal statute or common law  
9 principle of similar effect, to the fullest extent that it may lawfully waive such rights or  
10 benefits pertaining to the released matters. In furtherance of such intention, the release  
11 hereby given shall be and remain in effect as a full and complete release notwithstanding  
12 the discovery or existence of any such additional or different claims or facts arising out of  
13 the released matters.

14 **7. SEVERABILITY**

15 If, subsequent to court approval of this Consent To Judgment, any of the provisions of  
16 this Consent To Judgment are held by a court to be unenforceable, the validity of the enforceable  
17 provisions remaining shall not be adversely affected, unless the Court finds that any  
18 unenforceable provision is not severable from the remainder of the Consent To Judgment.

19 **8. COURT APPROVAL**

20 This Consent To Judgment is effective upon execution but must also be approved by the  
21 Court. The Consent to Judgment shall become null and void if, for any reason, it is not approved  
22 and entered by the Court within nine months after it has been fully executed by all Parties.

23 **9. GOVERNING LAW**

24 The terms of this Consent To Judgment shall be governed by the laws of the State of  
25 California.

26 **10. NOTICES**

27 When any Party is entitled to receive any notice under this Consent To Judgment, the  
28 notice shall be sent by certified mail and electronic mail to the following:

10 Any Party may modify the person and address to whom the notice is to be sent by sending each

13 Vinocur agrees to comply with the reporting form requirements referenced, in California  
14 Health & Safety Code §25249.7(f) and to file a motion for approval of this Consent Judgment.

15 **12. MODIFICATION**

16 This Consent To Judgment may be modified only: (1) by written agreement of the  
17 Parties; or (2) upon a successful motion of any party and entry of a modified Consent To  
18 Judgment by the Court.

19 **13. ADDITIONAL POST-EXECUTION ACTIVITIES**

20 The parties acknowledge that, pursuant to Health & Safety Code §25249.7, a noticed  
21 motion is required to obtain judicial approval of this Consent To Judgment. In furtherance of  
22 obtaining such approval, Vinocur and Apex and their respective counsel agree to mutually  
23 employ their best efforts to support the entry of this agreement as a Consent To Judgment and  
24 obtain approval of the Consent To Judgment - sufficient to render a formal judgment approving  
25 this agreement - by the Court in a timely manner. Any effort by plaintiff or Apex to impede  
26 judicial approval of this Consent To Judgment shall subject such impeding party to liability for  
27 attorney fees and costs incurred by plaintiff or his counsel in their efforts to meet or oppose  
28 Apex's impeding conduct.

1 **14. ENTIRE AGREEMENT**

2 This Consent To Judgment contains the sole and entire agreement and understanding of  
3 the Parties with respect to the entire subject matter hereof, and any and all prior discussions,  
4 negotiations, commitments, and understandings related hereto. No representations, oral or  
5 otherwise, express or implied, other than those contained herein have been made by any Party  
6 hereto. No other agreements not specifically referred to herein, oral or otherwise, shall be  
7 deemed to exist or to bind any of the Parties.

8 **15. ATTORNEY'S FEES**

9 15.1 Should Vinocur prevail on any motion, application for order to show cause or  
10 other proceeding to enforce this Consent To Judgment, Vinocur shall be entitled to his  
11 reasonable attorney fees and costs incurred as a result of such motion, order or application,  
12 consistent with C.C.P. §1021.5. Should Defendant prevail on any motion, application for order to  
13 show cause or other proceeding to enforce this Consent To Judgment, Defendant may be entitled  
14 to its reasonable attorney fees and costs incurred as a result of such motion, order or application  
15 upon a finding that Vinocur's prosecution of the motion or application lacked substantial  
16 justification. For purposes of this Consent to Judgment, the term substantial justification shall  
17 carry the same meaning as used in the Civil Discovery Act of 1986, Code of Civil Procedure §§  
18 2016, et seq.

19 15.2 Except as specifically provided otherwise herein, each Party shall bear its own  
20 costs and attorney's fees in connection with this action.

21 15.3 Nothing in this Section 15 shall preclude a Party from seeking an award of  
22 sanctions pursuant to law.
