

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Laurence Vinocur and AS America, Inc.

This Settlement Agreement (“Settlement Agreement”) is entered into by and between Laurence Vinocur (“Vinocur”) and AS America, Inc. (“AS America”) with Vinocur and AS America collectively referred to as the “Parties.” Vinocur is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. AS America employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (“Proposition 65”).

1.2 General Allegations

Vinocur alleges that AS America manufactures, imports, sells and/or distributes for sale in California, products containing di(2-ethylhexyl)phthalate (“DEHP”), and that it does so without providing the health hazard warning that Vinocur alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are vinyl/PVC hoses containing DEHP contained in the *American Standard Jocelyn Chrome Finish Kitchen Faucet with Spray, 9316.001.002, UPC #0 12611 48352 3*, that are manufactured, imported, distributed, sold and/or offered for sale by AS America in the State of California, hereinafter the “Products.”

1.4 Notice of Violation

On or about September 29, 2016, Vinocur served AS America, and certain requisite public enforcement agencies with a 60-Day Notice of Violation (“Notice”), alleging that AS America violated Proposition 65 when it failed to warn its customers and consumers in

California that the Products expose users to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

AS America denies the material, factual and legal allegations contained in the Notice and maintains that all products that it has sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by AS America of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by AS America of any fact, finding, conclusion, issue of law or violation of law. This Section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean April 26, 2017.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

2.1 Reformulation Standards

"Reformulated Products" are defined as those Products containing DEHP in concentrations less than 0.1 percent (1,000 parts per million) when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3580A, 8270C, 525.2, or any other methodology utilized by federal or state agencies for the purpose of determining the DEHP content in a solid substance.

2.2 Reformulation Commitment

Commencing within 60 days of the Effective Date, AS America shall not ship, sell, or offer for sale in the State of California the Products, unless they are Reformulated Products pursuant to Section 2.1 above, or carry the Proposition 65 warnings specified in Section 2.3 below:

2.3 Product Warnings

Commencing within 60 days of the Effective Date, AS America shall provide clear and reasonable warnings for all Products as set forth in subsections 2.3(a) and (b) for all Products that do not qualify as Reformulated Products under Section 2.2 above. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

(a) **Retail Store Sales.**

(i) **Product Labeling.** AS America shall affix a warning to the packaging, labeling, or directly on each Product provided for sale in retail outlets in California that states:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

(ii) **Point-of-Sale Warnings.** Alternatively, AS America may provide warning signs in the form below to its customers in California with instructions to post the warnings in close proximity to the point of display of the Products. Such instruction sent to AS America's customers shall be sent by certified mail, return receipt requested.

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Where more than one Product is sold in proximity to other like items or to those that do not require a warning (*e.g.*, Reformulated Products as defined in Section 2.1), the following statement shall be used:¹

WARNING: The following products contain DEHP, a phthalate Chemical, known to the State of California

¹For purposes of the Settlement Agreement, "sold in proximity" shall mean that the Product and another similar product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

to cause birth defects and other reproductive harm:

[list products for which warning is required]

(b) Mail Order Catalog and Internet Sales. In the event that AS America sells Products via mail order catalog and/or the internet, to customers located in California, after the Effective Date, that are not Reformulated Products, AS America shall provide warnings for such Products sold via mail order catalog or the internet to California residents. Warnings given in the mail order catalog or on the internet shall identify the *specific* Product to which the warning applies as further specified in Sections 2.3(b)(i) and (ii).

(i) Mail Order Catalog Warning. Any warning provided in a mail order catalog shall be in the same type size or larger than the Product description text within the catalog. The following warning shall be provided on the same page and in the same location as the display and/or description of the Product:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Where it is impracticable to provide the warning on the same page and in the same location as the display and/or description of the Product, AS America may utilize a designated symbol to cross reference the applicable warning and shall define the term “designated symbol” with the following language on the inside of the front cover of the catalog or on the same page as any order form for the Product(s):

WARNING: Certain products identified with this symbol ▼ and offered for sale in this catalog contain DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

The designated symbol must appear on the same page and in close proximity to the display and/or description of the Product. On each page where the designated symbol appears, AS America must provide a header or footer directing the consumer to the warning language and definition of the designated symbol.

(ii) Internet Website Warning. A warning shall be given in conjunction with the sale of the Products via the internet, which warning shall appear either: (a) on the same

web page on which a Product is displayed; (b) on the same web page as the order form for a Product; (c) on the same page as the price for any Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The following warning statement shall be used and shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Product for which it is given in the same type size or larger than the Product description text:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

Alternatively, the designated symbol may appear adjacent to or immediately following the display, description, or price of the Product for which a warning is being given, provided that the following warning statement also appears elsewhere on the same web page, as follows:

WARNING: This product contains DEHP, a phthalate chemical known to the State of California to cause birth defects and other reproductive harm.

3. MONETARY SETTLEMENT TERMS

3.1 Payments Pursuant to Health and Safety Code § 25249.7(b)(2)

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all the claims referred to in this Settlement Agreement, AS America shall pay \$2,500 in civil penalties in accordance with this Section. The penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) & (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) by Vinocur. Vinocur’s counsel shall be responsible for remitting AS America’s penalty payment(s) under this Settlement Agreement to OEHHA. By April 30, 2017 AS America shall provide its payment in a check made payable to “Laurence Vinocur, Client Trust Account” in the amount of \$625 and a check made payable to “OEHHA” in the amount of \$1,875, both to be delivered to the address provided in Section 3.3, below.

3.2 Reimbursement of Attorneys' Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, AS America expressed a desire to resolve Vinocur's fees and costs. The Parties then negotiated a resolution of the compensation due to Vinocur and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work performed through the mutual execution of this agreement, AS America shall reimburse Vinocur and his counsel \$17,000. AS America's payment shall be delivered to the address in Section 3.3, by April 30, 2017 in the form of a check payable to "The Chanler Group." The reimbursement shall cover all fees and costs incurred by Vinocur investigating, bringing this matter to AS America's attention and negotiating a settlement of the matter in the public interest.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214

4. CLAIMS COVERED AND RELEASED

claims for violations of Proposition 65 through the Effective Date based on unwarned exposures to DEHP in the Products, as set forth in the Notice. Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP from the Products, as set forth in the Notice. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to AS America.

4.2 Vinocur’s Individual Releases of Claims

Vinocur, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys’ fees, damages, losses, claims, liabilities, and demands of Vinocur of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by AS America prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to AS America. Nothing in this Section affects Vinocur’s right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve AS America’s Products.

4.3 AS America’s Release of Vinocur

AS America, on behalf of itself, its past and current agents, representatives, attorneys, successors, and assignees, hereby waives any and all claims against Vinocur and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Vinocur and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against it in this matter with respect to the Products.

5. SEVERABILITY

If, subsequent to the execution of this Settlement Agreement, any of the provisions of this Settlement Agreement are deemed by a court to be unenforceable, the validity of the enforceable provisions remaining shall not be adversely affected.

6. GOVERNING LAW

The terms of this Settlement Agreement shall be governed by the laws of the State of California and apply within the State of California. In the event that Proposition 65 is repealed or is otherwise rendered inapplicable by reason of law generally, or if any of the provisions of this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then AS America shall provide written notice to Vinocur of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve AS America from any obligation to comply with any pertinent state or federal toxics control law.
