

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Laurence Vinocur, Home Products International Inc. and Home Products International-North America, Inc.

This Settlement Agreement (Settlement Agreement) is entered into by and between Laurence Vinocur (Vinocur) and Home Products International, Inc. and Home Products International – North America, Inc. (collectively “Home Products”) with Vinocur and Home Products collectively referred to as the “Parties.” Vinocur is an individual residing in California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer products. Home Products employ ten or more persons and are each a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code §§ 25249.5 *et seq.* (Proposition 65).

1.2 General Allegations

Vinocur alleges that Home Products manufactures, imports, sells and/or distributes for sale in California, products containing di(2-ethylhexyl)phthalate (DEHP), and that they do so without providing the health hazard warning that Vinocur alleges is required by Proposition 65. DEHP is listed pursuant to Proposition 65 as a chemical known to the State of California to cause birth defects and other reproductive harm.

1.3 Product Description

The products that are covered by this Settlement Agreement are vinyl tub treads containing DEHP including, but not limited to, the *Homz Smart Solutions Tub Treads, 20300202, UPC #0 72697 20300 2* that are manufactured, imported, distributed, sold and/or offered for sale by Home Products in the State of California, hereinafter the “Products.”

1.4 Notice of Violation

On or about May 31, 2018, Vinocur served Home Products, and certain requisite public enforcement agencies with a 60-Day Notice of Violation (Notice), alleging that Home Products violated Proposition 65 when they failed to warn their customers and consumers in California that the Products expose users to DEHP. To the best of the Parties' knowledge, no public enforcer has commenced and is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

Home Products deny the material, factual and legal allegations contained in the Notice and maintain that all products that they have sold and distributed in California, including the Products, have been and are in compliance with all laws. Nothing in this Settlement Agreement shall be construed as an admission by Home Products of any fact, finding, issue of law or violation of law; nor shall compliance with this Settlement Agreement constitute or be construed as an admission by Home Products of any fact, finding, conclusion, issue of law or violation of law. This Section shall not, however, diminish or otherwise affect the obligations, responsibilities and duties under this Settlement Agreement.

1.6 Effective Date

For purposes of this Settlement Agreement, the term "Effective Date" shall mean August 24, 2018.

2. INJUNCTIVE RELIEF: REFORMULATION AND WARNINGS

2.1 Reformulation Standards

"Reformulated Products" are Products containing DEHP in concentrations of less than 0.1 percent (1,000 parts per million) in each accessible component when analyzed by a laboratory accredited by the State of California, a federal agency, or a nationally recognized accrediting organization. For purposes of compliance with this reformulation standard, testing samples shall be prepared and extracted using Consumer Product Safety Commission (CPSC) methodology CPSC-CH-C1001.09.3 and analyzed using U.S. Environmental Protection Agency

(EPA) methodology 8270D, or other methodologies utilized by federal or state government agencies to determine phthalate content in a solid substance.

2.2 Reformulation Commitment

As of the Effective Date, Home Products shall not manufacture, import, distribute, sell or offer the Products for sale in the State of California unless they are Reformulated Products pursuant to Section 2.1 above, or shall carry appropriate health hazard warnings per section 2.3, below.

2.3 Product Warnings

Commencing ninety (90) days after the Effective Date, Home Products shall provide clear and reasonable warnings for all Products as set forth in subsections 2.3(a) and (b) for all products that do not qualify as Reformulated Products. Each warning shall be prominently placed with such conspicuousness as compared with other words, statements, designs, or devices as to render it likely to be read and understood by an ordinary individual under customary conditions before purchase or use. Each warning shall be provided in a manner such that the consumer or user understands to which *specific* Product the warning applies, so as to minimize the risk of consumer confusion.

(a) Retail Store Sales.

(i) Product Labeling. Home Products shall affix a warning to the packaging, labeling, or directly on each Product that does not qualify as a Reformulated Product provided for sale in retail outlets in California that states:

⚠ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

(ii) Point-of-Sale Warnings. Alternatively, for any Product that does not qualify as a Reformulated Product, Home Products may provide warning signs in the form below to its retail store customers in California with instructions to post the warnings in close proximity

to the point of display of the Products. Such instruction sent to Home Products' retail store customers shall be sent by certified mail, return receipt requested.

⚠ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Where more than one Product is sold in proximity to other like items or to those that do not require a warning (*e.g.*, Reformulated Products as defined in Section 2.1), the following statement shall be used:¹

⚠ WARNING: The following products can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

[list products for which warning is required]

(b) Mail Order Catalog and Internet Sales. In the event that Home Products sells Products via mail order catalog and/or the internet, to customers located in California, after the Effective Date, that are not Reformulated Products, Home Products shall provide warnings for such Products sold via mail order catalog or the internet to California residents. Warnings given in the mail order catalog or on the internet shall identify the *specific* Product to which the warning applies as further specified in Sections 2.3(b)(i) and (ii).

(i) Mail Order Catalog Warning. Any warning provided in a mail order catalog shall be in the same type size or larger than the Product description text within the catalog. The following warning shall be provided on the same page and in the same location as the display and/or description of the Product:

⚠ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

¹For purposes of the Settlement Agreement, "sold in proximity" shall mean that the Product and another similar product are offered for sale close enough to each other that the consumer, under customary conditions of purchase, could not reasonably determine which of the two products is subject to the warning sign.

Where it is impracticable to provide the warning on the same page and in the same location as the display and/or description of the Product, Home Products may utilize a designated symbol to cross reference the applicable warning and shall define the term “designated symbol” with the following language on the inside of the front cover of the catalog or on the same page as any order form for the Product(s):

▲ WARNING: Certain products identified with this symbol ▼ can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

The designated symbol must appear on the same page and near the display and/or description of the Product. On each page where the designated symbol appears, Home Products must provide a header or footer directing the consumer to the warning language and definition of the designated symbol.

(ii) **Internet Website Warning.** A warning shall be given in conjunction with the sale of the Products via the internet, which warning shall appear either: (a) on the same web page on which a Product is displayed; (b) on the same web page as the order form for a Product; (c) on the same page as the price for any Product; or (d) on one or more web pages displayed to a purchaser during the checkout process. The following warning statement shall be used and shall appear in any of the above instances adjacent to or immediately following the display, description, or price of the Product for which it is given in the same type size or larger than the Product description text:

▲ WARNING: This product can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

Alternatively, where it is impracticable to provide the warning on the same page and in the same location as the display and/or description of the Product, Home Products may utilize a designated symbol to cross reference the applicable warning with a “designated symbol” which

may appear adjacent to or immediately following the display, description, or price of the Product for which a warning is being given, provided that the following warning statement also appears elsewhere on the same web page, as follows:

⚠ WARNING: Certain products identified with this symbol ▼ can expose you to DEHP, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.

3. MONETARY SETTLEMENT TERMS

3.1 Payments Pursuant to Health and Safety Code § 25249.7(b)(2)

Pursuant to Health and Safety Code section 25249.7(b)(2), and in settlement of all claims alleged in the Notice or referred to in this Settlement Agreement, Home Products agree to pay a total of \$2,000 in civil penalties. The penalty payment will be allocated in accordance with California Health and Safety Code section 25249.12(c)(1) & (d), with 75% of the penalty amount paid to the California Office of Environmental Health Hazard Assessment (OEHHA) and the remaining 25% of the penalty amount retained by Vinocur.

Home Products will deliver their payment on or before August 24, 2018, in two checks for the following amounts made payable to: (a) “OEHHA” in the amount of \$1,500; and (b) “Laurence Vinocur, Client Trust Account” in the amount of \$500. Vinocur’s counsel shall be responsible for delivering OEHHA’s portion of the penalties paid under this Settlement Agreement.

3.2 Reimbursement of Attorneys’ Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving the issue to be resolved after the material terms of the agreement had been settled. Shortly after the other settlement terms had been finalized, Home Products expressed a desire to resolve Vinocur’s fees and costs. The Parties then negotiated a resolution of the compensation due to Vinocur and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure § 1021.5. For all work

performed through the mutual execution of this agreement, Home Products shall reimburse Vinocur and his counsel \$18,000. Home Products' payment shall be delivered to the address in Section 3.3, on or before the Effective Date, in the form of a check payable to "The Chanler Group." The reimbursement shall cover all fees and costs incurred by Vinocur investigating, bringing this matter to Home Products' attention and negotiating a settlement of the matter.

3.3 Payment Address

All payments required by this Settlement Agreement shall be delivered to the following address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214

Compliance with the terms of this Settlement Agreement constitutes compliance with Proposition 65 with respect to exposures to DEHP from the Products, as set forth in the Notice. The Parties further understand and agree that this Section 4.1 release shall not extend upstream to any entities that manufactured the Products or any component parts thereof, or any distributors or suppliers who sold the Products or any component parts thereof to Home Products.

4.2 Vinocur's Individual Releases of Claims

Vinocur, in his individual capacity only and *not* in his representative capacity, provides a release herein which shall be effective as a full and final accord and satisfaction, as a bar to all actions, causes of action, obligations, costs, expenses, attorneys' fees, damages, losses, claims, liabilities, and demands of Vinocur of any nature, character, or kind, whether known or unknown, suspected or unsuspected, limited to and arising out of alleged or actual exposures to DEHP in the Products manufactured, imported, distributed, or sold by Home Products prior to the Effective Date. The Parties further understand and agree that this Section 4.2 release shall not extend upstream to any entities that manufactured the Products, or any component parts thereof, or any distributors or suppliers who sold the Products, or any component parts thereof to Home Products. Nothing in this Section affects Vinocur's right to commence or prosecute an action under Proposition 65 against a Releasee that does not involve Home Products's Products.

4.3 Home Products's Release of Vinocur

Home Products, on behalf of themselves, their past and current agents, representatives, attorneys, successors, and assignees, hereby waive any and all claims against Vinocur and his attorneys and other representatives, for any and all actions taken or statements made (or those that could have been taken or made) by Vinocur and his attorneys and other representatives, whether in the course of investigating claims or otherwise seeking to enforce Proposition 65 against them in this matter with respect to the Products.

this Settlement Agreement are rendered inapplicable or no longer required as a result of any such repeal or preemption or rendered inapplicable by reason of law generally as to the Products, then Home Products shall provide written notice to Vinocur of any asserted change in the law and shall have no further injunctive obligations pursuant to this Settlement Agreement with respect to, and to the extent that, the Products are so affected. Nothing in this Settlement Agreement shall be interpreted to relieve Home Products from any obligation to comply with any pertinent state or federal toxics control law.
