

SETTLEMENT AGREEMENT

1. INTRODUCTION

1.1 Parties

This Settlement Agreement is entered into by and between Laurence Vinocur (“Vinocur”) and June Tailor, Inc. (“June Tailor”) with Vinocur and June Tailor collectively referred to as the “Parties.” Vinocur is an individual residing in the State of California who seeks to promote awareness of exposures to toxic chemicals and to improve human health by reducing or eliminating hazardous substances contained in consumer and commercial products. June Tailor employs ten or more persons and is a person in the course of doing business for purposes of the Safe Drinking Water and Toxic Enforcement Act of 1986, California Health & Safety Code § 25249.6, *et seq.* (“Proposition 65”).

1.2 General Allegations

Vinocur alleges that June Tailor manufactured, imported, sold and/or distributed for sale in California, foam pillow forms with foam containing tris(1,3-dichloro-2-propyl) phosphate (“TDCPP”) without the requisite Proposition 65 health hazard warnings. TDCPP is an additive flame retardant used in both soft and rigid polyurethane foam, plastics and fabric backings.

Pursuant to Proposition 65, on October 28, 2011, California identified and listed TDCPP as a chemical known to cause cancer. TDCPP became subject to the “clear and reasonable warning” requirements of Proposition 65 one year later on October 28, 2012. Cal. Code Regs., tit. 27, § 27001(b); Health & Safety Code §§ 25249.8 and 25249.10(b). Vinocur alleges that TDCPP escapes from foam padding and fabrics, leading to human exposures.

1.3 Product Description

The products that are covered by this Settlement Agreement are defined as foam pillow forms with foam containing TDCPP including, but not limited to, the *No-Sew Pillow Form, Round Pillow 14, JT-991, UPC #7 30976 09910 3* (“Products”) that were sold and/or distributed for sale in California by June Tailor.

1.4 Notice of Violation

On April 30, 2014, Vinocur served June Tailor, others, and certain requisite public enforcement agencies with a “60-Day Notice of Violation” (“Notice”) that provided the recipients with notice of alleged violations of Proposition 65 based on the alleged failure to warn customers, consumers, and workers in California that the Products expose users to TDCPP.

To the best of the Parties’ knowledge, no public enforcer has commenced or is diligently prosecuting the allegations set forth in the Notice.

1.5 No Admission

June Tailor denies the material factual and legal allegations contained in Vinocur’s Notice and maintains that all products it has manufactured, imported, distributed, and/or sold in California, including the Products, have been and are in compliance with all laws. June Tailor further states that as of the Effective Date it is not selling or distributing the Products in California. Nothing in this Settlement Agreement shall be construed as an admission by June Tailor of any fact, finding, conclusion, issue of law, or violation of law, nor shall compliance with this Settlement Agreement constitute or be construed as an admission by June Tailor of any fact, finding, conclusion, issue of law, or violation of law. However, this section shall not diminish or otherwise affect June Tailor’s obligations, responsibilities, and duties under this Settlement Agreement.

2. DEFINITIONS

2.1 California Customers

“California Customer” shall mean any customer that June Tailor reasonably understands is located in California, has a California warehouse or distribution center, or maintains a retail outlet in California that has made sales into California on or after October 28, 2012.

2.2 Detectable

“Detectable” shall mean containing more than 25 parts per million (“ppm”) (the equivalent of .0025%) of TDCPP in any material, component, or constituent of a subject product, when analyzed by an accredited laboratory pursuant to EPA testing methodologies 3545 and 8270C, or

equivalent methodologies utilized by federal or state agencies to determine the presence, and measure the quantity, of TDCPP.

2.3 Effective Date

“Effective Date” shall mean April 11, 2016.

2.4 Private Label Covered Products

“Private Label Covered Products” means Products that bear a brand or trademark owned or licensed by a Retailer or affiliated entity that are sold or offered for sale by a Retailer in the State of California.

2.5 Reformulated Products

“Reformulated Products” shall mean Products that contain no more than 25 ppm (equivalent of .0025%) of TDCPP in any material, component, or constituent of a subject product, when analyzed pursuant to U.S. Environmental Protection Agency testing methodologies 3545 and 8270C or other methodology utilized by federal or state government agencies for the purpose of determining TDCPP content in a solid substance.

2.6 Reformulation Standard

The “Reformulation Standard” shall mean containing no more than 25 ppm for TDCPP.

2.7 Retailer

“Retailer” means an individual or entity that offers a Product for retail sale to consumers in the State of California.

3. INJUNCTIVE RELIEF: REFORMULATION

Commencing on the Effective Date, June Tailor shall not manufacture, import, distribute for sale or sell to California Customers Products that are not Reformulated Products. Prior to execution of this Settlement an officer of June Tailor provided Plaintiff’s counsel with a written certification representing that all Products manufactured, sold, and/or distributed for sale by or on behalf of June Tailor after the Effective Date will be Reformulated Products, that all Products (Products beyond the Exemplar) manufactured, sold, and/or distributed for sale by or on behalf of June Tailor after the Effective Date will be Reformulated Products, and that Products manufactured, sold, and/or

distributed for sale by or on behalf of June Tailor after the Effective Date will not contain tris (2,3-dibromopropyl) phosphate (“TDBPP”) in excess of 25 parts per million.

4. MONETARY PAYMENTS

4.1 Civil Penalties Pursuant to Health & Safety Code § 25249.7(b)

In settlement of all the claims referred to in this Settlement Agreement, June Tailor shall pay the penalties in accordance with this Section. Each penalty payment will be allocated in accordance with California Health & Safety Code § 25249.12(c)(1) and (d), with 75% of the funds remitted to the California Office of Environmental Health Hazard Assessment (“OEHHA”) by Vinocur. The penalty payment shall be remitted to “Laurence Vinocur, Client Trust Account” by June Tailor. Each penalty payment shall be made within five business days of the date it is due and be delivered to the address listed in Section 4.5 below.

4.1.1 Civil Penalty. June Tailor shall make a civil penalty payment in the amount of \$2,000 on or before the Effective Date.

4.2 Representations

June Tailor represents that the sales data and other information concerning its size, knowledge of TDCPP, and prior reformulation and/or warning efforts it provided to Vinocur was truthful to its knowledge and a material factor upon which Vinocur has relied to determine the amount of civil penalties assessed pursuant to Health & Safety Code § 25249.7 in this Settlement Agreement. If, within nine months of the Effective Date, Vinocur discovers and presents to June Tailor, evidence demonstrating that the preceding representation and warranty was materially inaccurate, then June Tailor shall have 30 days to meet and confer regarding Vinocur’s contention. Should this 30 day period pass without any such resolution between Vinocur and June Tailor, Vinocur shall be entitled to file a formal legal claim including, but not limited to, a claim for damages for breach of contract. June Tailor further represents that in implementing the requirements set forth in Section 3 of this Settlement Agreement, it will voluntarily employ commercial best efforts to achieve reformulation of the Products and not employ statements that

will encourage a vendor to limit its compliance with the Reformulation Standard to goods intended for sale to California Consumers.

4.3 Stipulated Penalties for Certain Violations of the Reformulation Standard

If Vinocur provides notice and appropriate supporting information to June Tailor that levels of TDCPP in excess of the Reformulation Standard have been detected in one or more Products that are (a) distributed or sold in California after the Effective Date and (b) labeled or otherwise marked in an identifiable manner as manufactured or imported by June Tailor after the Effective Date, June Tailor may elect to pay a stipulated penalty to relieve any further potential liability under Proposition 65 or sanction under this Settlement Agreement as to Products containing TDCPP sourced from the vendor in question. The stipulated penalty shall be \$1,500 if the violation is in excess of the Reformulation Standards but below 250 ppm for TDCPP. Vinocur shall further be entitled to reimbursement of his associated expense in an amount not to exceed \$5,000 regardless of the stipulated penalty level. June Tailor under this Section must provide notice and appropriate supporting information relating to the purchase (e.g. vendor name and contact information including representative, purchase order, certification (if any) received from vendor for the exemplar or subcategory of products), test results, and a letter from a company representative or counsel attesting to the information provided, to Vinocur within 30 calendar days of receiving test results from Vinocur's counsel. In the event that Vinocur's test results vary from those provided by June Tailor and June Tailor's test result demonstrate less than 25 ppm for TDCPP, the parties shall agree to test the Products by a third independent laboratory to be mutually agreed upon. The expenses of the third laboratory shall be borne by the party whose test results are the furthest from those of the third laboratory. The results of the third laboratory shall be deemed conclusive. If such test results demonstrate less than 25 ppm for TDCPP, then no penalty will be owed.

4.4 Reimbursement of Fees and Costs

The Parties acknowledge that Vinocur and his counsel offered to resolve this dispute without reaching terms on the amount of fees and costs to be reimbursed to them, thereby leaving this fee reimbursement issue to be resolved after the material terms of the agreement had been

settled. Shortly after the other settlement terms had been finalized, June Taylor expressed a desire to resolve the fee and cost issue. June Taylor then agreed to pay Vinocur and his counsel under general contract principles and the private attorney general doctrine codified at California Code of Civil Procedure section 1021.5 for all work performed through the mutual execution of this agreement, including the fees and costs incurred as a result of investigating, bringing this matter to June Taylor's attention, and negotiating a settlement in the public interest. In addition, the negotiated fee and cost figure expressly includes the anticipated significant amount of time Vinocur's counsel will incur to monitor various provisions in this agreement over the next two years. June Taylor, more specifically, agreed to pay Vinocur's counsel the amount of \$21,000. June Taylor further agreed to tender and shall tender its full required payment under this Section to "The Chanler Group" on or before the Effective Date.

4.5 Payment Procedures

All payments owed to Vinocur and his counsel shall be delivered to the following payment address:

The Chanler Group
Attn: Proposition 65 Controller
2560 Ninth Street
Parker Plaza, Suite 214
Berkeley, CA 94710
