## SUPERIOR COURT OF THE STATE OF CALIFORNIA

 COUNTY OF ALAMEDA UNLIMITED CIVIL JURISDICTIONLAURENCE VINOCUR, et al.,
Plaintiffs,
v.

ABAD FOAM, INC., et al., Defendants.

Case No. RG14710984
[PROPOSED] CONSENT JUDGMENT AS TO DEFENDANT POMONA QUALITY FOAM, INC.

## 1. INTRODUCTION

1.1. This Consent Judgment is entered into by plaintiff Laurence Vinocur ("Vinocur") and defendant Pomona Quality Foam, Inc. ("Pomona") to settle claims asserted by Vinocur against Pomona as set forth in the Complaint filed in the captioned action. Vinocur and Pomona are referred to individually as a "Party" and collectively as the "Parties."
1.2. On June 14, 2013, Vinocur served a 60-Day Notice of Violation, on Pomona, the California Attorney General, and the other requisite public enforcers, alleging that Pomona violated Proposition 65 when it failed to warn its customers and consumers in California of the health hazards associated with exposures to tris(1,3-dichloro-2-propyl) phosphate ("TDCPP"), a toxic flame retardant chemical applied to certain "Foam" (as defined herein) used as padding in upholstered furniture and other consumer products sold by Pomona in California.
1.3. Pomona is a "person in the course of doing business" as that phrase is defined by Proposition 65, that employs ten (10) or more persons, and that manufactures, distributes, and/or sells Covered Products (as defined in Section 2.2 herein) containing Foam (as defined in Section 2.4 herein) in the State of California.
1.4. For purposes of this Consent Judgment only, the Parties stipulate that: (i) this Court has jurisdiction over the allegations of violations contained in the Notice and Complaint and personal jurisdiction over Pomona as to the acts alleged in the Complaint; (ii) venue is proper in the County of Alameda; and (iii) this Court has jurisdiction to enter this Consent Judgment as a full and final resolution of all claims which were or could have been raised in the Complaint based on the facts alleged in the Notice and Complaint with respect to Foam manufactured, sold and/or distributed for Sale in California by Pomona.
1.5. The Parties enter into this Consent Judgment as a full and final settlement of all claims which were or could have been raised in the Complaint or Notice arising out of the facts or conduct related to Pomona alleged therein. By execution of this Consent Judgment and agreeing to comply with its terms, the Parties do not admit any fact, conclusion of law, or violation of law, nor shall compliance with the Consent Judgment constitute or be construed as an admission by the Parties of any fact, conclusion of law, or violation of law. Pomona denies the material, factual, and legal

CONSENT JUDGMENT AS TO DEFENDANT POMONA QUALITY FOAM, INC.
allegations in the Notice and Complaint and expressly denies any wrongdoing whatsoever. Except as specifically and expressly provided herein, nothing in this Consent Judgment shall prejudice, waive, or impair any right, remedy, argument, or defense either Party may have in this or any other pending or future legal proceedings. This Consent Judgment is the product of negotiation and compromise and is accepted by the Parties solely for purposes of settling, compromising, and resolving issues disputed in this Action.

## 2. DEFINITIONS

2.1. "Covered Products" means Foam containing TDCPP used as padding in upholstered furniture manufactured, distributed, and/or sold by Pomona in California.
2.2. "Effective Date" means the date on which the Court enters this Consent Judgment.
2.3. "Foam" means polyurethane foam manufactured, distributed and/or sold by Pomona for use as a raw material in the manufacture or fabrication of various consumer products sold in California, including, but not limited to (1) foam-cushioned upholstered furniture, such as, by way of example only, foam-cushioned chairs, ottomans, sofas, futons, and back cushions; (2) foam-cushioned pads for infants and children to lie on, such as foam-cushioned pads and mats used for sleeping or resting, diaper changing pads, infant walkers, and/or car safety seats; and (3) foam-cushioned mattress toppers.
2.4. "Listed Chemical Flame Retardants" means Tris(1,3-dichloro-2-propyl) phosphate ("TDCPP"), Tris(2-chloroethyl) phosphate ("TCEP"), and Tris(2,3-dibromopropyl)phosphate ("TDBPP").

## 3. INJUNCTIVE RELIEF

3.1. Reformulation of Foam and Covered Products. Pomona shall comply with the following requirements to reformulate the Foam and Covered Products:
3.1.1. TDCPP in Covered Products. As of the Effective Date, Pomona shall not distribute, sell, or offer for sale in California any Covered Product that has been treated with any TDCPP and which has a manufacture date that is on or later than the Effective Date.
3.1.2. TDCPP in Foam. As of the Effective Date, Pomona shall not distribute, sell, or offer for sale in California any Foam for use in products that, to Pomona's knowledge will be, or
are reasonably likely to be, sold in California that have been treated with TDCPP and which have a manufacture date that is on or later than the Effective Date.

### 3.1.3. Interim Compliance - TDCPP. Any Covered Products manufactured prior to

 the Effective Date, and in which the polyurethane foam has intentionally added TDCPP and which is distributed, sold, or offered for sale by Pomona in California after the Effective Date shall be accompanied by a Clear and Reasonable Warning that complies with Section 3.1.6.
### 3.1.4. Warnings for Covered Products in the Stream of Commerce. Within 30

 days following the Effective Date, to the extent it has not already done so, Pomona shall provide clear and reasonable Proposition 65 warning materials to each of its California retailers or distributors to whom Pomona reasonably believes it sold Covered Products that contained or may have contained intentionally added TDCPP within the twelve (12) months prior to the Effective Date. Such warning materials shall include a reasonably sufficient number of warning labels in order to permit the retailer or distributor to place a warning label on each Covered Product such customer has purchased from Pomona. The warning label shall contain the warning language set forth in Section 3.1.6. The warning materials shall also include a letter of instruction for the placement of the warning label, and a Notice and Acknowledgment postcard.3.1.5. Warning Letter to Foam Customers. Within 30 days following the Effective Date, Pomona shall provide a warning letter to each of its customers that are located in California, as well as its customers located outside California, that Pomona reasonably believes sell products containing Foam in California, to whom Pomona reasonably believes it sold Foam that contained intentionally added TDCPP within the 12 months prior to the Effective Date, to the extent that such notice has not already been provided. The warning letter shall inform the customer that, to the extent the customer purchased Foam to meet California fire safety standards, the Foam sold by Pomona contains tris(1,3-dichloro-2-propyl) phosphate ("TDCPP"), a chemical known to the State of California to cause cancer. The letter shall further inform the customer that to the extent it sells products containing Foam in California, the products containing Foam must be accompanied by clear and reasonable Proposition 65 warnings as set forth in Section 3.1.6.
3.1.6. Proposition 65 Warnings. A clear and reasonable warning under this Consent

Judgment shall state:

## WARNING: This product contains tris (1,3-dichloro-2-propyl) phosphate ("TDCPP"), a chemical known to the State of California to cause cancer. ${ }^{1}$

A clear and reasonable warning shall not be preceded by, surrounded by, or include any additional words or phrases that contradict, obfuscate, or otherwise undermine the warning. The warning statement shall be prominently displayed on the Covered Product or the packaging of the Covered Product with such conspicuousness, as compared with other words, statements, or designs as to render it likely to be read and understood by an ordinary individual prior purchase. For internet, catalog, or any other sale where the consumer is not physically present and cannot see a warning displayed on the Covered Product or the packaging of the Covered Product prior to purchase or payment, the warning statement shall be displayed in such a manner that it is likely to be read and understood prior to the authorization of or actual payment.

### 3.2 Optional Additional Reformulation for Listed Chemical Flame Retardants in

Covered Products. In order for Pomona to be eligible for a waiver of the additional penalty/payment in lieu of penalty payments set forth in Section 4.1 .5 below, Pomona shall undertake the additional actions to reduce or eliminate the use of, in addition to TDCPP, TCEP and TDBPP. Pomona shall not manufacture for sale in California any Covered Product that has been treated with TDCPP, TCEP or TDBPP after the Effective Date. In order to avoid the additional payments, within 150 days following the Effective Date, Pomona must provide written certification to Vinocur of its commitment to no longer sell in California any Covered Product that has been treated with TDCPP, TCEP, and/or TDBPP. The written certification may be satisfied by letter to Vinocur, c/o The Chanler Group.

## 4. Penalties and Payment

4.1. Pomona shall pay to Vinocur the total sum of thirteen thousand dollars $(\$ 13,000)$, which shall be allocated as follows:

[^0]CONSENT JUDGMENT AS TO DEFENDANT POMONA QUALITY FOAM, INC.

4.1.2. $\$ 11,000$ shall constitute reimbursement of Vinocur's reasonable attorneys' fees and costs.
4.1.3. The payments required under Sections 4.1.1-4.1.2 shall be made in three separate checks, all to be delivered within 10 days following the Effective Date. The payments required pursuant to Sections 4.1 .1 shall each be in the form of two checks for the following amounts made payable to: (a) "OEHHA" in the amount of $\$ 1,500$; and (b) "Laurence Vinocur, Client Trust Account" in the amount of $\$ 500$. The additional penalty payment shall be allocated according to Health \& Safety Code § 25249.12(c) (1) and (d), and provided in two checks made payable to: (a) "OEHHA" in the amount of \$3,000; and (b) "Laurence Vinocur, Client Trust Account" in the amount of $\$ 1,000$.

## 5. ENFORCEMENT OF CONSENT JUDGMENT

5.1. Vinocur may, by motion or application for an order to show cause before the Superior Court of Alameda County, enforce the terms and conditions contained in this Consent Judgment. Prior to bringing any motion or application to enforce the requirements of Section 3 above, Vinocur shall provide Pomona with a Notice of Violation and a copy of any test result(s) which purportedly support Vinocur's Notice of Violation. The Parties shall then meet and confer regarding the basis for Vinocur's anticipated motion or application in an attempt to resolve the alleged violation informally, including providing Pomona a reasonable opportunity of at least thirty (30) days to cure any alleged
violation. Should the Parties' attempts at an informal resolution fail, Vinocur may file his enforcement motion or application. The prevailing party on any motion to enforce this Consent Judgment shall be entitled to its reasonable attorney's fees and costs incurred as a result of such motion or application. This Consent Judgment may only be enforced by the Parties.

## 6. MODIFICATION OF CONSENT JUDGMENT

6.1. This Consent Judgment may only be modified by a written agreement of the Parties, and entry of a modified consent judgment by the Court thereon, or upon a motion or application brought by any Party, and entry of a modified consent judgment by a Court thereon.
